

This is a digital copy of a book that was preserved for generations on library shelves before it was carefully scanned by Google as part of a project to make the world's books discoverable online.

It has survived long enough for the copyright to expire and the book to enter the public domain. A public domain book is one that was never subject to copyright or whose legal copyright term has expired. Whether a book is in the public domain may vary country to country. Public domain books are our gateways to the past, representing a wealth of history, culture and knowledge that's often difficult to discover.

Marks, notations and other marginalia present in the original volume will appear in this file - a reminder of this book's long journey from the publisher to a library and finally to you.

Usage guidelines

Google is proud to partner with libraries to digitize public domain materials and make them widely accessible. Public domain books belong to the public and we are merely their custodians. Nevertheless, this work is expensive, so in order to keep providing this resource, we have taken steps to prevent abuse by commercial parties, including placing technical restrictions on automated querying.

We also ask that you:

- + *Make non-commercial use of the files* We designed Google Book Search for use by individuals, and we request that you use these files for personal, non-commercial purposes.
- + *Refrain from automated querying* Do not send automated queries of any sort to Google's system: If you are conducting research on machine translation, optical character recognition or other areas where access to a large amount of text is helpful, please contact us. We encourage the use of public domain materials for these purposes and may be able to help.
- + *Maintain attribution* The Google "watermark" you see on each file is essential for informing people about this project and helping them find additional materials through Google Book Search. Please do not remove it.
- + *Keep it legal* Whatever your use, remember that you are responsible for ensuring that what you are doing is legal. Do not assume that just because we believe a book is in the public domain for users in the United States, that the work is also in the public domain for users in other countries. Whether a book is still in copyright varies from country to country, and we can't offer guidance on whether any specific use of any specific book is allowed. Please do not assume that a book's appearance in Google Book Search means it can be used in any manner anywhere in the world. Copyright infringement liability can be quite severe.

No. 11.—AN ACT providing for the sale of the lands of the United States, in the territory northwest of the river Ohio, and above the mouth of Kentucky River.

SECTION 1. *Be it enacted, &c.*—That a surveyor-general shall be appointed, whose duty it shall be to engage a sufficient number of skillful surveyors, as his deputies; whom he shall cause, without delay, to survey and mark the unascertained outlines of the lands lying northwest of the river Ohio, and above the mouth of the river Kentucky, in which the titles of the Indian tribes have been extinguished, and to divide the same in the manner hereinafter directed; he shall have authority to frame regulations and instructions for the government of his deputies; to administer the necessary oaths, upon their appointments; and to remove them for negligence or misconduct in office.

SEC. 2. *Be it further enacted,* That the part of the said lands, which has not been already conveyed by letters-patent, or divided, in pursuance of an ordinance in Congress, passed on the twentieth of May, one thousand seven hundred and eighty-five, or which has not been heretofore, and during the present session of Congress may not be appropriated for satisfying military land-bounties, and for other purposes, shall be divided by north and south lines run according to the true meridian, and by others crossing them at right angles, so as to form townships of six miles square, unless where the line of the late Indian purchase, or of tracts of land heretofore surveyed or patented, or the course of navigable rivers may render it impracticable; and then this rule shall be departed from no further than such particular circumstances may require. The corners of the townships shall be marked with progressive numbers from the beginning; each distance of a mile between the said corners shall be also distinctly marked with marks different from those of the corners. One half of the said townships, taking them alternately, shall be subdivided into sections, containing, as nearly as may be, six hundred and forty acres each, by running through the same, each way, parallel lines, at the end of every two miles; and by marking a corner, on each of the said lines, at the end of every mile; the sections shall be numbered respectively, beginning with the number one, in the north-east section, and proceeding west and east alternately, through the town-

ship with progressive numbers, till the thirty-sixth be completed. And it shall be the duty of the deputy surveyors, respectively, to cause to be marked, on a tree near each corner made, as aforesaid, and within the section, the number of such section, and over it, the number of the township, within which such section may be; and the said deputies shall carefully note, in their respective field-books, the names of the corner trees marked, and the numbers so made: The fractional parts of townships shall be divided into sections, in manner aforesaid, and the fractions of sections shall be annexed to, and sold with, the adjacent entire sections. All lines shall be plainly marked upon trees, and measured with chains, containing two perches of sixteen feet and one-half each, subdivided into twenty-five equal links, and the chain shall be adjusted to a standard to be kept for that purpose. Every surveyor shall note in his field-book the true situations of all mines, salt licks, salt springs and mill-seats, which shall come to his knowledge; all water-courses, over which the line he runs shall pass; and also the quality of the lands. These field-books shall be returned to the surveyor-general who shall therefrom cause a description of the whole lands surveyed, to be made out and transmitted to the officers who may superintend the sales: He shall also cause a fair plat to be made of the townships, and fractional parts of townships, contained in the said lands, describing the subdivisions thereof, and the marks of the corners. This plat shall be recorded in books to be kept for that purpose; a copy thereof shall be kept open at the surveyor-general's office, for public information; and other copies sent to the places of the sale, and to the Secretary of the Treasury. (a)

SEC. 3. *Be it further enacted*, That a salt spring lying upon a creek which empties into the Sciota River, on the east side, together with as many contiguous sections as shall be equal to one township, and every other salt spring which may be discovered, together with the section of one mile square which includes it, and also four sections at the centre of every township, containing each one mile square, shall be reserved, for the future disposal of the United States; but there shall be no reservations, except for salt springs, in fractional townships, where the fraction is less than three-fourths of a township. (b)

SEC. 4. *Be it further enacted*, That whenever seven ranges of townships shall have been surveyed below the Great Miami, or between the Sciota River and the Ohio Company's purchase, or between the southern boundary of the Connecticut claims and the ranges already laid off, beginning upon the Ohio River and extending westwardly, and the plats thereof made and transmitted, in conformity to the provisions of this act, the said sections of six hundred and forty acres (excluding those hereby reserved) shall be offered for sale, at public vendue, under the direction of the governor or secretary of the western territory, and the surveyor-general: such of them as lie below the Great Miami shall be sold at Cincinnati; those of them which lie between the Sciota and the Ohio Company's purchase, at Pittsburg; and those between the Connecticut claim and the seven ranges, at Pittsburg. And the townships remaining undivided shall be offered for sale, in the same manner, at the seat of government of the United States, under the direction of the Secretary of the Treasury, in tracts of one quarter of a township lying at the corners thereof, excluding the four central sections, and the other reservations before mentioned: *Provided always*, That no part of the lands directed by this act to be offered for sale, shall be sold for less than two dollars per acre.

Sections of 640 acres (except reservations) to be sold at vendue, by the governor or secretary of the western territory, and the surveyor-general.

Preamble.

No. 184a.—AN ACT to authorize the Court of Claims of the United States to hear and determine the claim of the heirs of Stephen Johnston, deceased.

Whereas by an act of Congress, passed July twentieth, eighteen hundred and forty, for the relief of the children of Stephen Johnston, deceased, said heirs were thereby authorized to surrender to the United States certain lands, and to receive in lieu thereof a certificate "receivable in payment at any land office of the United States for any half-section of land not subject to preëmption;" and whereas said heirs, in pursuance of the provisions of said act, did, on the second day of February, anno Domini eighteen hundred and forty-one, surrender said land, and did receive a certificate as aforesaid, and did thereafter twice make application to the Commissioner of the General Land Office for the purchase of one half-section of the public lands of the United States with said certificate, which several applications were refused by said Commissioner, although at the time of said applications the lands applied for were duly authorized to be sold; and whereas it was the manifest intention of Congress, by the passage of said act, to give to said heirs the right to make choice of and purchase with said certificate any half-section of the public lands of the United States, in order to compensate said heirs for the loss of a judicious selection of land granted to them by the provisions of a treaty made by the United States with the Pottawatomie Indians on the sixteenth day of October, anno Domini eighteen hundred and twenty-six; and whereas since the passage of said act, and the issuing of said certificate, the most valuable lands of the United States have been disposed of and made subject to preëmption, and the holders of the certificate have been deprived of the use

thereof in the purchase of such valuable lands by reason of the decisions aforesaid; and whereas there are now no public lands of the United States upon which said certificate could be used, affording anything like a just compensation to said heirs for the loss of a judicious selection for them under the provisions of the treaty aforesaid: Therefore—

Be it enacted, &c., That the claim of the heirs of Stephen Johnston, deceased, be, and the same is hereby, referred back to the Court of Claims of the United States, together with the record and papers of the case of Stephen Johnston and others against the United States, formerly heard in said court; thereupon said court is authorized and directed to order proof to be taken of the value of such a selection of one half-section of land within the boundaries of the treaty aforesaid as said heirs were justly and equitably entitled to, as it was on the second day of February, anno Domini eighteen hundred and forty-one; and in estimating the value of such a selection as it was on the day aforesaid, all or any improvements upon the land so valued shall not be considered, but the value of such a selection shall be estimated considering its natural advantages of position, &c., and any increase of value from extrinsic and general causes to the date aforesaid.

SEC. 2. *And be it further enacted*, That when the value of such a selection shall be so ascertained by the proof, and thereupon determined by the court, which is hereby required, said court shall add interest upon the value so determined from February second, eighteen hundred and forty-one, and thereupon to ascertain and determine what amount of land scrip of the United States, as hereinafter provided, may be necessary to be issued to said heirs in compensation and satisfaction of the amount so ascertained and determined by the court. And thereupon said court shall order the amount so ascertained to be issued. And the Secretary of the Interior of the United States shall, and he is hereby authorized and required, upon the order aforesaid, and the surrender of the land certificate now held by said heirs to the United States, to cause to be issued to said heirs, to wit: To Stephen Johnston and his heirs and assigns, and to Eliza Winans and her heirs and assigns, in equal proportions, severally, land scrip of the United States to the amount ascertained and determined by the court as aforesaid, which scrip shall be receivable in payment for any lands of the United States subject to private entry, the minimum price of which does not exceed one dollar and twenty-five cents per acre for each acre mentioned in the certificates of scrip so issued; and said land scrip, if offered, shall be receivable in payment of any lands of the United States the sale of which is authorized by law, the value of said scrip to be estimated at one dollar and twenty-five cents for each acre of land therein named. That is to say, scrip for eighty acres of land shall be deemed to be of the value of one hundred dollars, and shall be received as so much money when offered in payment of land worth more than one dollar and twenty-five cents per acre, and the same rule shall apply to the scrip issued for a greater or less number of acres; and said land scrip shall, moreover, be assignable by endorsement, attested by two witnesses, and shall be issued in legal subdivisions in the following manner, to wit: For each section to be issued one certificate of scrip for one hundred and sixty acres, four certificates for eighty acres each, and four certificates for forty acres each: *Provided*, That if there shall be any fraction less than forty acres to make up the amount to be issued, the same shall be so issued: *And provided, further*, That when so issued and delivered shall be in full satisfaction and adjustment of the claim aforesaid. NO. 185.—AN ACT in relation to islands in the Great Miami River.

Be it enacted, &c., That in the case of such islands in the Great Miami River, in the State of Ohio, as are undisposed of, or any vacant public lands adjacent thereto, which are in the actual and exclusive occupancy of any persons who have made improvements thereon, or of their heirs or assigns, such occupants thereof shall have the preference right to enter the same at two dollars and fifty cents per acre, on making proof of the facts to the satisfaction of the Commissioner of the General Land Office, and paying for the land within twelve months from the passage of this act, and patents shall issue for the tracts so entered as usual in entries of public lands. Preamble.

Whereas, it is provided, by the third article of the treaty of September twentieth, eighteen hundred and twenty-eight, with the Pottawatomes, that "a section of land shall be granted to Madeline Bertrand, wife of Joseph Bertrand," to be located under the direction of the President of the United States; and in accordance with said provisions, the locating agent, appointed by the United States, did, in the year eighteen hundred and thirty-five, locate her reservation upon section twelve, township thirty, range seven east; and the said Madeline and her husband Joseph Bertrand, did, on the fifteenth day of September, eighteen hundred and thirty-six, by deed, convey said tract to Obed P. Lacey; and whereas the said Lacey had been previously informed by the War Department that said location had been made and would be approved; and whereas three of the four quarters of said section were, on the twelfth day of October, eighteen hundred and thirty-five, sold at the public land sales, in consequence of which, the location was removed, and subsequently laid on fractional section twenty-six, township seven south, range seventeen west, in the State of Michigan; and whereas it appears, from the conveyance above recited, that the said Madeline and her husband, Joseph, for an adequate consideration, transferred all their right, title, and interest, to said reservation: Therefore,

Be it enacted, &c., That the deed described in the above preamble shall be deemed a full relinquishment, on the part of Madeline Bertrand, of all her claim to land under the treaty with the Pottawatomes of September twentieth, eighteen hundred and twenty-eight.

The deed described in the preamble to be deemed a full relinquishment, &c.

SEC. 2. *And be it further enacted*, That so soon as the said Obed P. Lacey shall execute, to the satisfaction of the Secretary of War, a full relinquishment of all claim he may have, under the deed aforesaid, as assignee of Madeline Bertrand and Joseph Bertrand, to section twelve, township thirty, range seven east, the President of the United States shall cause a patent to be issued to him, the said Obed P. Lacey, for fractional section twenty-six, township seven south, range seventeen west, which was located, and the location thereof approved, to the said Madeline, as a full satisfaction for the aforesaid relinquishment, on the part of said Obed P. Lacey, and of the claim of said Madeline Bertrand, under the treaty of September twentieth, eighteen hundred and twenty-eight.

Upon O. P. Lacey relinquishing his claim, a patent shall issue to him for certain land.

Be it enacted, &c. That there be, and hereby is, granted to the State of Michigan, for the construction of a wagon road for military and postal purposes, from Saginaw City, in said State, by the shortest and most feasible route to the Straits of Mackinaw, every alternate or odd section of public land not mineral, for three miles in width on each side of said road to the extent of three sections to the mile. Also for a road from Grand Rapids, in said State, through Newaygo, Traverse City, and Little Traverse, to the Straits of Mackinaw, every alternate or odd section of public land, not mineral, for three sections in width on each side of said road to the extent of three sections to the mile. And it is hereby provided that in case it shall appear that the United States shall have (when the lines or routes of said roads are definitely established) sold or reserved any sections or parts of sections, granted as aforesaid, or that the rights of preemption or homestead have attached to the same, so as to leave a deficiency in the amount to be selected within the limits designated, then it shall be the duty of the Secretary of the Interior to select such lands from the odd sections, or parts of sections, nearest to the three-mile limits aforesaid, such quantity as shall be necessary to make up the deficiency thus created: *Provided, further,* That the lands hereby granted shall be exclusively reserved, held, and applied in the construction of said roads, and shall be appropriated and disposed of only as the work progresses, in quantities and under such regulations and restrictions as the State shall provide; and in no event shall they be appropriated or disposed of for any other purpose whatsoever.

SEC. 2. *And be it further enacted,* That any and all lands heretofore reserved to the United States by any act of Congress, or in any other manner by competent authority, for any public work, or for any other purpose whatsoever, be, and the same are hereby, reserved to the United States from the operation of this act, except so far as it may be necessary to locate the routes of said roads through such reserved lands; in which case the rights of way shall be, and are hereby, granted, subject to the approval of the President of the United States.

SEC. 3. *And be it further enacted,* That said roads shall be located, surveyed, and constructed, under the direction of such agents or commissioners as the governor may appoint, and shall be chopped out a uniform width of at least six rods. The road-bed proper to be not less than thirty-two feet wide, and constructed with ample ditches on both sides, so as to afford sufficient drains, with good and substantial bridges and proper culverts and sluices where necessary. All stumps and roots to be thoroughly grubbed out between the ditches the entire length of said road, the central portion of which to be sufficiently raised to afford a dry road-bed by means of drainage from the centre to the side ditches; the hills to be levelled and valleys raised so as to make as easy a grade as practicable.

SEC. 4. *And be it further enacted,* That when the governor of the State of Michigan shall furnish the Secretary of the Interior with maps and charts showing the definite location of the line of each of said roads, it shall be his duty to have the land granted to each of said roads withheld from market, and reserved exclusively for the purposes aforesaid. And when the said governor shall certify to the Secretary of the Interior that any ten consecutive miles of either of said roads have been completed under the provisions of this act, and in accordance with the third section thereof, stating definitely where said completed section of road commences and where it terminates, it shall be the duty of the said Secretary to cause patents to issue to said State for three sections of land for each mile of road thus completed, as aforesaid, and so on until the whole of said roads is completed: *Provided,* That no patents shall be given for any of the aforesaid lands before the completion of ten consecutive miles of road, or for any road, or for any part of any road, made before the passage of this act, or for any greater quantity than thirty sections for each ten miles completed according to the provisions of this act. Nothing in this proviso, however, shall be construed so as to prevent the application of so much of the said three sections per mile as may be necessary to finish any part of said roads partly made before the passage of this act.

SEC. 5. *And be it further enacted,* That this grant is made upon the express conditions that the roads shall be and remain public highways,

free from all toll and other charges; and that if any portion of said roads shall remain uncompleted for a period of more than five years from the approval of this act by the President, the lands granted for such portion shall revert to the United States. (a)

No. 707.—A PROCLAMATION by the President of the United States of America, respecting taking possession of part of Louisiana.Oct. 27, 1810.
Vol. 11, p. 761.

Whereas the territory south of the Mississippi Territory and eastward of the river Mississippi and extending to the river Perdido, of which possession was not delivered to the United States in pursuance of the treaty concluded at Paris on the 30th of April, 1803, has at all times, as is well known, been considered and claimed by them, as being within the colony of Louisiana conveyed by the said treaty, in the same extent that it had in the hands of Spain, and that it had when France originally possessed it.

Preamble as to title of the United States to the territory south of Mississippi Territory, eastward of Mississippi River and extending to the River Perdido.

And whereas, the acquiescence of the United States in the temporary continuance of the said territory under the Spanish authority was not the result of any distrust of their title, as has been particularly evinced by the general tenor of their laws, and by the distinction made in the application of those laws between that territory and foreign countries, but was occasioned by their conciliatory views, and by a confidence in the justice of their cause; and in the success of candid discussion and amicable negotiation with a just and friendly power.

And whereas a satisfactory adjustment, too long delayed, without the fault of the United States, has for some time been entirely suspended by events over which they had no control, and whereas a crisis has at length arrived subversive of the order of things under the Spanish authorities, whereby a failure of the United States to take the said territory into its possession may lead to events ultimately contravening the views of both parties, whilst in the mean time the tranquillity and security of our adjoining Territories are endangered, and new facilities given to violations of our revenue and commercial laws, and of those prohibiting the introduction of slaves.

Considering, moreover, that under these peculiar and imperative circumstances, a forbearance on the part of the United States to occupy the territory in question, and thereby guard against the confusions and contingencies which threaten it, might be construed into a dereliction of their title, or an insensibility to the importance of the state: considering that in the hands of the United States it will not cease to be a subject of fair and friendly negotiation and adjustment: considering finally that the acts of Congress tho' contemplating a present possession by a foreign authority, have contemplated also an eventual possession of the said territory by the United States, and are accordingly so framed, as in that case to extend in their operation to the same:

Now be it known that I, James Madison, President of the United States of America, in pursuance of these weighty and urgent considerations, have deemed it right and requisite that possession should be taken of the said Territory, in the name and behalf of the United States. William C. C. Claiborne, governor of the Orleans Territory of which the said territory is to be taken as part, will accordingly proceed to execute the same; and to exercise over the said territory the authorities and functions legally appertaining to his office. And the good people inhabiting the same, are invited and enjoined to pay due respect to him in that character; to be obedient to the laws; to maintain order; to cherish harmony; and in every manner to conduct themselves as peaceable citizens; under full assurance that they will be protected in the enjoyment of their liberty, property, and religion. (a)

Possession to be taken of said territory.

W. C. C. Claiborne, to execute this order and to act as governor.

In testimony whereof, I have caused the seal of the United States to be hereunto affixed, and signed the same with my hand. Done at the city of Washington, the twenty-seventh day of October, A. D. eighteen hundred and ten, and in the thirty-fifth year of the Independence of the United States.

JAMES MADISON.

R. SMITH,
Secretary of State.

To each of the said commissioners and clerks a further allowance of five hundred dollars, to be paid after the completion of the business of each of the boards respectively, to the officers then in office. And for the land office, north of the Red River, a register, and for each of the said three offices, a receiver of public monies shall be appointed, who shall give security in the same manner, in the same sums, and whose compensations, emoluments, duties and authority, shall in every respect be the same, in relation to the lands which shall be disposed of at their offices, as are or may be provided by law, in relation to the registers and receivers of public monies in the several offices established for the disposal of the lands of the United States, in the Territory of Mississippi. (c)

SEC. 4. *And be it further enacted*, That the powers vested in the President of the United States by the eleventh section of the act, entitled "An act supplementary to an act, entitled An act for ascertaining and adjusting the titles and claims to land within the Territory of Orleans, and the District of Louisiana," passed on the twenty-first day of April, one thousand eight hundred and six, in relation to the public lands lying in the western district of the Territory of Orleans, and all the other provisions made by the same section, for the sale of said lands, and for obtaining patents for the same, shall be, and the same are hereby in every respect, extended to the public lands, lying in the eastern district of the Territory of Orleans.

And the principal deputy surveyor of each district respectively, shall be and he is hereby authorized, under the superintendence of the surveyor of the public lands south of the State of Tennessee, to cause to be surveyed, the tracts claimed by virtue of this section; and in all cases where by reason of bends in the river, lake, creek, bayou or water-course bordering on the tract, and of adjacent claims of a similar nature, each claimant cannot obtain a tract equal in quantity to the adjacent tract already owned by him to divide the vacant land applicable to that object between the several claimants, in such manner as to him will appear most equitable: *Provided however*, That the right of pre-emption, granted by this section, shall not extend so far in depth, as to include lands fit for cultivation, bordering on another river, creek, bayou or water-course. And every person entitled to the benefit of this section shall, within three years after the date of this act, deliver to the register of the proper land office, a notice in writing, stating the situation and extent of the tract of land he wishes to purchase, and shall also make the payment and payments for the same, at the time and times, which are, or may be prescribed by law, for the disposal of the other public lands in the said Territory: the time of his delivering the notice aforesaid, being considered as the date of the purchase. And the surveyor-general for the State of Louisiana shall be, and he is hereby, authorized to cause to be surveyed the tracts claimed by virtue of this section; and in all cases where, by reason of bends in the river, lake, creek, bayou, or water-course, bordering on the tract, and of adjacent claims of a similar nature, each claimant cannot obtain a tract equal in quantity to the adjacent tract already owned by him, to divide the vacant land applicable to that object between the several claimants, in such manner as to him will appear most equitable: *Provided, however*, That the right of pre-emption granted by this section, shall not extend so far in depth as to include lands fit for cultivation, bordering on another river, creek, bayou or water-course. Whenever it shall be necessary to resurvey the public lands, in order to enable persons entitled to avail themselves of the provisions of this act, the expenses of such resurvey shall be paid by the person or persons, who shall enter the lands so resurveyed under this act, at the time he or they shall pay the price of such land to the receiver of public money. And if any such person shall fail to deliver such notice within the said period of three years, or to make such payment or payments at the time above mentioned, his right of pre-emption shall cease, and become void; and the land may, thereafter, be purchased by any other person, in the same manner, and on the same terms, as are, or may be provided by law for the sale of other public lands in the said State. Article Compass.*

The origin of the compass is undoubtedly to be ascribed to the Chinese, who more than 2000 years B. C. made use of the loadstone to guide their cars or carriages without the aid of the sun or stars. It is certain that they employed the magnetic needle in the navigation of vessels soon after the Christian era, if not earlier. There is indeed every reason to believe that the mariner's compass was not an original European invention, but was introduced from China. None of the early European writers speak of it as invented in Europe; and it is certain that the compasses used by the Italians in the 13th century were constructed exactly like those made in China about the same period. The compass is mentioned by Guvot of Provence as early as 1190, and by Raymond Lully, 1286.

No. 1111.—JOINT RESOLUTION in relation to certain railroads in the State of Missouri.

March 6, 1862.
Vol. 12, p. 614.

Whereas by the fourth section of an act of Congress entitled "An act granting the right of way to the State of Missouri, and a portion of the public lands to aid in the construction of certain railroads in said State," approved June the tenth, eighteen hundred and fifty-two, it is provided as follows: "That the said lands, hereby granted to the said State, shall be subject to the disposal of the legislature thereof, for the purposes aforesaid and no other; and the said railroads shall be and remain public highways for the use of the Government of the United States, free from toll or other charge upon the transportation of any property or troops of the United States;" and whereas the said grant of lands has, by virtue of said act, and of an act of the legislature of the State of Missouri, been applied in the construction of the Hannibal and Saint Joseph Railroad, constructed and owned by the Hannibal and Saint Joseph Railroad Company, and the Pacific Railroad by the Pacific Railroad Company, which last-mentioned road is finished and running from St. Louis to Rolla; and whereas the ability of said railroad companies to transport the property and troops of the United States over their respective railroads has been greatly impaired by the destruction of bridges, depots, and other property of said companies, and the partial destruction of said roads, and in view of the pressing public necessities, the United States, not waiving the right to have their property and troops transported free from toll or other charge by said railroads, as contemplated by the reservation aforesaid, have resolved as follows: Therefore be it

Pay to certain railroads in Missouri for transportation of troops, &c.

Resolved, &c., That the Secretary of War is hereby authorized to make such an adjustment with the Hannibal and Saint Joseph Railroad Company and the Pacific Railroad Company, for the transportation, past and prospective, of the property and troops of the United States, over said railroads during the existence of this rebellion, as in view of the public exigency may be just and reasonable, and liquidate the same: *Provided, however*, That the sums paid to said companies shall be as near as may be the cost of transporting such property and troops, and not exceeding the prices fixed by the War Department on the twelfth day of July, eighteen hundred and sixty-one, for transportation by railroads, which adjustment and liquidation shall preclude any further claim on behalf of such companies against the Government for compensation or damages previously accrued, or for the military occupation of the said roads by the United States Government up to the time of the passage of this act: *And provided further*, That the Secretary of War may, in his discretion, withhold from time to time such portion of the moneys which may be due to either of said railroad companies, to indemnify the Government against any failure of such company to promptly transport such troops and supplies; but nothing herein shall be so construed as to prevent the Secretary of War from taking possession of said railroads and their appurtenances, and applying the same to the exclusive use of the Government whenever, in his judgment, the public interests may require it, without, in such case, compensation to said companies. (a)

Pay not to exceed, &c.

No. 1119.—AN ACT authorizing documentary evidence of titles to be furnished to the owners of certain lands in the city of St. Louis.

Preamble.

Whereas within the city of Saint Louis, in the State of Missouri, there are many lots, tracts, pieces, and parcels of land which were confirmed by the act of Congress of June the thirteenth, eighteen hundred and twelve, on the ground of inhabitation, possession, or cultivation of the same prior to December the twentieth, eighteen hundred and three, and in some cases there is no adequate documentary evidence of said confirmations; and in consequence of the death of the ancient witnesses, who knew the facts of said inhabitation, possession, or cultivation, the owners of said lands, in said cases where there is no adequate documentary evidence of said confirmations, are without complete evidence of title to the same, as against the United States; and whereas persons holding grants and confirmations of lands in said city of Saint Louis, under other acts of Congress heretofore passed, may, in some cases, be without perfect documentary evidence of said grants or confirmations by the United States, and difficulties may hereafter arise therefrom, to the great injury of such persons: therefore—

(b)

SEC. 4. *And be it further enacted*, That the said railroads shall be, and remain, public highways, so far as the same may be constructed under this act, for the use of the Government of the United States, free of all toll or other charges upon the transportation of any property or troops of the United States, and at the costs in all respects of said railroad companies; and the said roads are hereby required to be constructed within the term of five years from and after the first day of July, anno Domini eighteen hundred and sixty-six.

SEC. 2. *And be it further enacted*, That the right of way through the public lands be, and the same is hereby, granted to the said Atlantic and Pacific Railroad Company, its successors and assigns, for the construction of a railroad and telegraph as proposed; and the right, power, and authority is hereby given to said corporation to take from the public lands adjacent to the line of said road material of earth, stone, timber, and so forth, for the construction thereof. Said way is granted to said railroad to the extent of one hundred feet in width on each side of said railroad where it may pass through the public domain, including all necessary grounds for station-buildings, workshops, depots, machine-shops, switches, side-tracks, turn-tables, and water-stations; and the right of way shall be exempt from taxation within the Territories of the United States. The United States shall extinguish, as rapidly as may be consistent with public policy and the welfare of the Indians, and only by their voluntary cession, the Indian title to all lands falling under the operation of this act and acquired in the donation to the road named in the act.

SEC. 3. *And be it further enacted*, That there be, and hereby is, granted to the Atlantic and Pacific Railroad Company, its successors and assigns, for the purpose of aiding in the construction of said railroad and telegraph line to the Pacific coast, and to secure the safe and speedy transportation of the mails, troops, munitions of war, and public stores, over the route of said line of railway and its branches, every alternate section of public land, not mineral, designated by odd numbers, to the amount of twenty alternate sections per mile, on each side of said railroad line, as said company may adopt, through the Territories of the United States, and ten alternate sections of land per mile on each side of said railroad whenever it passes through any State, and whenever, on the line thereof, the United States have full title, not reserved, sold, granted, or otherwise appropriated, and free from pre-emption or other claims or rights, at the time the line of said road is designated by a plat thereof, filed in the office of the Commissioner of the General Land Office; and whenever, prior to said time, any of said sections or parts of sections shall have been granted, sold, reserved, occupied by homestead settlers, or pre-empted, or otherwise disposed of, other lands shall be selected by said company in lieu thereof, under the direction of the Secretary of the Interior, in alternate sections, and designated by odd numbers, not more than ten miles beyond the limits of said alternate sections, and not including the reserved numbers: *Provided*, That if said route shall be found upon the line of any other railroad route, to aid in the construction of which lands have been heretofore granted by the United States, as far as the routes are upon the same general line, the amount of land heretofore granted shall be deducted from the amount granted by this act: *Provided further*, That the railroad company receiving the previous grant of land may assign their interest to said "Atlantic and Pacific Railroad Company," or may consolidate, confederate, and associate with said company upon the terms named in the first and seventeenth sections of this act: *Provided further*, That all mineral lands be, and the same are hereby, excluded from the operations of this act, and in lieu thereof a like quantity of unoccupied and unappropri-

ated agricultural lands in odd-numbered sections nearest to the line of said road, and within twenty miles thereof, may be selected as above provided: *And provided further*, That the word "mineral," when it occurs in this act, shall not be held to include iron or coal: *And provided further*, That no money shall be drawn from the Treasury of the United States to aid in the construction of the said "Atlantic and Pacific Railroad."

SEC. 4. *And be it further enacted*, That whenever said Atlantic and Pacific Railroad Company shall have twenty-five consecutive miles of any portion of said railroad and telegraph line ready for the service contemplated, the President of the United States shall appoint three commissioners to examine the same, who shall be paid a reasonable compensation for their services by the company, to be determined by the Secretary of the Interior; and if it shall appear that twenty-five consecutive miles of said road and telegraph line have been completed in a good, substantial and workmanlike manner, as in all other respects required by this act, the commissioners shall so report under oath, to the President of the United States, and patents of lands, as aforesaid, shall be issued to said company, confirming to said company the right and title to said lands situated opposite to and coterminous with said completed section of said road. And from time to time, whenever twenty-five additional consecutive miles shall have been constructed, completed, and in readiness as aforesaid, and verified by said commissioners to the President of the United States, then patents shall be issued to said company conveying the additional sections of land as aforesaid, and so on as fast as every twenty-five miles of said road is completed as aforesaid.

Preamble.

Whereas in obedience to the Treasury circular of the sixth of September, eighteen hundred and twenty-seven, Doctor Henry Perrine, late American consul at Campeachy, has distinguished himself by his persevering exertions to introduce tropical plants into the United States: and whereas he has demonstrated the existence of a tropical climate in southern Florida, and has shown the consequent certainty of the immediate domestication of tropical plants in tropical Florida, and the great probability of their gradual acclimation throughout all our southern and southwestern States, especially of such profitable plants as propagate themselves on the poorest soils; and whereas, if the enterprise should be successful, it will render valuable our hitherto worthless soils, by covering them with a dense population of small cultivators and family manufacturers, and will thus promote the peace, prosperity, and permanency of the Union: Therefore,

Be it enacted, &c., That a township of land is hereby granted to Doctor Henry Perrine and his associates, in the southern extremity of the peninsula of East Florida, to be located in one body of six miles square, upon any portion of the public lands below twenty-six degrees north latitude.

it shall be for-

Preamble.

Whereas a treaty of friendship, and limits, and accommodation, having been entered into at Doake's Stand, on the eighteenth of October, in the year one thousand eight hundred and twenty, between Andrew Jackson and Thomas Hinds, commissioners on the part of the United States, and the chiefs and warriors of the Choctaw nation of Indians; and whereas the second article of the treaty aforesaid provides for a cession of lands, west of the Mississippi, to the Choctaw nation, in part satisfaction for lands ceded by said nation to the United States, according to the first article of said treaty: And whereas, it being ascertained that the cession aforesaid embraces a large number of settlers, citizens of the United States; and it being the desire of the President of the United States to obviate all difficulties resulting therefrom, and also, to adjust other matters in which both the United States and the Choctaw nation are interested: The following articles have been agreed upon, and concluded, between John C. Calhoun, Secretary of War, specially authorized therefor by the President of the United States, on the one part, and the undersigned delegates of the Choctaw nation, on the other part:

No. 1718.—ARTICLES of a convention, concluded at the city of Washington this sixth day of May, in the year of our Lord one thousand eight hundred and twenty-eight, between James Barbour, Secretary of War, being especially authorized therefor by the President of the United States, and the undersigned, chiefs and head men of the Cherokee nation of Indiana, west of the Mississippi, they being duly authorized and empowered by their nation.

Object of the
treaty.

Whereas, it being the anxious desire of the Government of the United States to secure to the Cherokee nation of Indians, as well those now living within the limits of the Territory of Arkansas, as those of their friends and brothers who reside in States east of the Mississippi, and who may wish to join their brothers of the west, a permanent home, and which shall, under the most solemn guarantee of the United States, be, and remain, theirs forever—a home that shall never, in all future time, be embarrassed by having extended around it the lines, or placed over it the jurisdiction of a Territory or State, nor be pressed upon by the extension, in any way, of any of the limits of any existing Territory or State; and, whereas, the present location of the Cherokees in Arkansas being unfavourable to their present repose, and tending, as the past demonstrates, to their future degradation and misery; and the Cherokees being anxious to avoid such consequences, and yet not questioning their right to their lands in Arkansas, as secured to them by treaty, and resting also upon the pledges given them by the President of the United States, and the Secretary of War, of March, 1818, and 8th October, 1821, in regard to the outlet to the West, and as may be seen on referring to the records of the War Department, still being anxious to secure a permanent home, and to free themselves, and their posterity, from an embarrassing connexion with the Territory of Arkansas, and guard themselves from such connexions in future; and, whereas, it being important, not to the Cherokees only, but also to the Choctaws, and in regard also to the question which may be agitated in the future respecting the location of the latter, as well as the former, within the limits of the Territory or State of Arkansas, as the case may be, and their removal therefrom; and to avoid the cost which may at-

tend negotiations to rid the Territory or State of Arkansas whenever it may become a State, of either, or both of those tribes, the parties hereto do hereby conclude the following articles, viz:

ARTICLE 1. The western boundary of Arkansas shall be, and the same is, hereby defined, viz: A line shall be run, commencing on Red River, at the point where the Eastern Choctaw line strikes said river, and run due north with said line to the river Arkansas, thence in a direct line to the southwest corner of Missouri. Western boundary of Arkansas defined.

ART. 2. The United States agree to possess the Cherokees, and to guarantee it to them forever, and that guarantee is hereby solemnly pledged, of seven millions of acres of land, to be bounded as follows, viz: Commencing at that point on Arkansas River where the eastern Choctaw boundary line strikes said river, and running thence with the western line of Arkansas, as defined in the foregoing article, to the southwest corner of Missouri, and thence with the western boundary line of Missouri till it crosses the waters of Neasho, generally called Grand River, thence due west to a point from which a due south course will strike the present northwest corner of Arkansas Territory, thence continuing due south, on and with the present western boundary line of the Territory to the main branch of Arkansas River, thence down said river to its junction with the Canadian River, and thence up and between the said rivers Arkansas and Canadian, to a point at which a line running north and south from river to river, will give the aforesaid seven millions of acres. In addition to the seven millions of acres thus provided for, and bounded, the United States further guarantee to the Cherokee nation a perpetual outlet, west, and a free and unmo-
lested use of all the country lying west of the western boundary of the above-described limits, and as far west as the sovereignty of the United States, and their right of soil extend. Territory guaranteed to Cherokees by United States.

ART. 3. The United States agree to have the lines of the above cession run without delay, say not later than the first of October next, and to remove, immediately after the running of the eastern line from the Arkansas River to the southwest corner of Missouri, all white persons from the west to the east of said line, and also all others, should there be any there, who may be unacceptable to the Cherokees, so that no obstacles arising out of the presence of a white population, or a population of any other sort, shall exist to annoy the Cherokees; and also to keep all such from the west of said line in future. Lines to be run without delay and white persons removed from the cession.

ART. 7. The chiefs and head men of the Cherokee nation, aforesaid, for and in consideration of the foregoing stipulations and provisions, do hereby agree, in the name and behalf of their nation, to give up, and they do hereby surrender, to the United States, and agree to leave the same within fourteen months, as herein before stipulated, all the lands to which they are entitled in Arkansas, and which were secured to them by the treaty of 8th January, 1817, and the convention of the 27th February, 1819. Cherokees to surrender lands in Arkansas within fourteen months.

ART. 9. It is understood and agreed by the parties to this convention, that a tract of land, two miles wide and six miles long, shall be, and the same is hereby, reserved for the use and benefit of the United States, for the accommodation of the military force which is now, or which may hereafter be, stationed at Fort Gibson, on the Neasho, or Grand River, to commence on said river half a mile below the aforesaid fort, and to run thence due east two miles, thence northwardly six miles, to a point which shall be two miles distant from the river aforesaid, thence due west to the said river, and down it to the place of beginning. And the Cherokees agree that the United States shall have and possess the right of establishing a road through their country for the purpose of having a free and unmo-
lested way to and from said fort. (a) A certain tract of land to be reserved for the benefit of the United States.

[NOTE.—This treaty was ratified with the following proviso, expressed in the resolution of the Senate: "Provided, nevertheless, that the said convention shall not be so construed as to extend the northern boundary of the 'perpetual outlet west,' provided for and guaranteed in the second article of said convention, north of the thirty-sixth degree of north latitude, or so as to interfere with the lands assigned, or to be assigned, west of the Mississippi River, to the Creek Indians who have emigrated, or may emigrate, from the States of Georgia and Alabama, under the provisions of any treaty or treaties heretofore concluded between the United States and the Creek tribe of Indians; and provided

further, that nothing in the said convention shall be construed to cede or assign to the Cherokees any lands heretofore ceded or assigned to any tribe or tribes of Indians, by any treaty now existing and in force, with any such tribe or tribes."]

Whereas the tribe of Seneca Indians, residing on Sandusky River, in the State of Ohio, have earnestly solicited the President of the United States to negotiate with them, for an exchange of the lands, now owned and occupied by them, for lands of the United States, west of the river Mississippi, and for the removal and permanent settlement of said tribe: Therefore, in order to carry into effect the aforesaid objects, the following articles have been agreed upon:

Preamble.

ARTICLE 1. The Seneca tribe of Indians, in consideration of the stipulations herein made on the part of the United States, do forever cede, release and quit-claim to the United States, the lands granted to them, by patent, in fee-simple, by the sixth section of the treaty, made at the foot of the rapids of the Miami River of Lake Erie, on the twenty-ninth day of September, in the year 1817, containing thirty thousand acres, and described as follows: "Beginning on the Sandusky River at the lower corner of the section granted to William Spicer; thence down the river on the east side, with the meanders thereof at high-water mark, to a point east of the mouth of Wolf Creek; thence, and from the beginning, east, so far that a north line will include the quantity of thirty thousand acres." And said tribe also cede, as aforesaid, one other tract of land, reserved for the use of the said Senecas, by the second article of the treaty, made at St. Mary's, in the State of Ohio, on the seventeenth day of September, in the year 1818, which tract is described in said treaty as follows: "Ten thousand acres of land, to be laid off on the east side of the Sandusky River, adjoining the south side of their reservation of thirty thousand acres, which begins on the Sandusky River, at the lower corner of William Spicer's section, and excluding therefrom the said William Spicer's section:" making in the whole of this cession, forty thousand acres.

ART. 2. In consideration of the cessions stipulated in the foregoing article; the United States agree to cause the said tribe of Senecas, consisting of about four hundred souls to be removed in a convenient and suitable manner, to the western side of the Mississippi River; and will grant them, by patent, in fee-simple, as long as they shall exist as a nation and remain on the same, a tract of land, situate on, and adjacent to the northern boundary of the lands heretofore granted to the Cherokee nation of Indians, and adjoining the boundary of the State of Missouri; which tract shall extend fifteen miles from east to west, and seven miles from north to south, containing about sixty-seven thousand acres, be the same more or less; for which the President of the United States shall cause letters-patents to be issued, in due form of law, agreeably to the act of the last session of Congress.

Gardiner, specially appointed commissioner on the part of the United States, and John McElvain, Indian agent for the Wyandots, Senecas and Shawnees, on the one part, and the undersigned principal chiefs and warriors of the mixed band of Senecas and Shawnee Indians residing at and around the said Lewistown, of the other part; for the cession of the lands now owned and occupied by said band, lying on the waters of the Great Miami River, and within the territorial limits of the organized county of Logan, in said State of Ohio.

Preamble.

Whereas the President of the United States, under the authority of the act of Congress, approved May 28th, 1830, has appointed a special commissioner to confer with the different Indian tribes residing within the constitutional limits of the State of Ohio, and to offer for their acceptance the provisions contained in the before-recited act. And whereas the mixed band or tribes of Seneca and Shawnee Indians residing at and around Lewistown in said State have expressed their perfect assent to the conditions of said act, and their willingness and anxiety to remove west of the Mississippi River, in order to obtain a more permanent and advantageous home for themselves and their posterity: Therefore, in order to carry into effect the aforesaid objects, the following articles have been agreed upon by the aforesaid contracting parties; which, when approved by the President and ratified by the Senate of the United States, shall be mutually binding upon the United States and the said Seneca and Shawnee Indians.

Cession of
land to United
States.

ARTICLE I. The Seneca and Shawnee Indians, residing at and around Lewistown in the State of Ohio, in consideration of the stipulations herein made on the part of the United States, do for ever cede, release and quit-claim to the United States, the lands granted to them by patent in fee-simple by the sixth article of the treaty made at the foot of the rapids of the Miami River of Lake Erie, on the twenty-ninth day of September, in the year 1817, containing forty-eight square miles, and described in said treaty as follows:—"Beginning at the intersection of the line run by Charles Roberts in the year one thousand eight hundred and twelve, from the source of the Little Miami River, to the source of the Scioto River, in pursuance of instructions from the commissioners appointed on the part of the United States, to establish the western boundary of the Virginia military reservation, with the Indian boundary line established by the treaty of Greenville in one thousand seven hundred and ninety-five from the crossings above Fort Lawrence to Laramie's store, and to run from such intersection, northerly, with the first-mentioned line, so as to include the quantity as nearly in a square form as practicable, after excluding the section of land granted to Nancy Stewart." And the said Senecas and Shawnees also cede to the United States, in manner aforesaid, one other tract of land, reserved for them by the second article of the treaty made at St. Mary's, in Ohio, on the seventeenth of September, in the year 1818, which tract is described in said treaty as follows:—"Eight thousand nine hundred and sixty acres, to be laid off adjoining the west line of the reserve of forty-eight square miles at Lewistown."

Removal of
Senecas and
Shawnees.

ART. II. In consideration of the cessions stipulated in the foregoing article, the United States agree to cause the said band of Senecas and Shawnees, consisting of about three hundred souls, to be removed in a convenient and suitable manner to the western side of the Mississippi River, and will grant by patent, in fee-simple to them and their heirs forever, as long as they shall exist as a nation and remain on the same, a tract of land to contain sixty thousand acres, to be located under the direction of the President of the United States, contiguous to the lands granted to the Senecas of Sandusky by the treaty made with them at the city of Washington, on the 28th of February 1831, and the Cherokee settlements—the east line of said tract shall be within two miles of the west line of the lands granted to the Senecas of Sandusky, and the south

line shall be within two miles of the north line of the lands held by the Cherokees—and said two miles between the aforesaid lines, shall serve as a common passway between the before-mentioned tribes to prevent them from intruding upon the lands of each other.

ART. XI. The lands granted by this agreement and convention to the said band of Senecas and Shawnees, shall not be sold or ceded by them except to the United States. And the United States guarantee that said lands shall never be within the bounds of any State or Territory, nor subject to the laws thereof; and further that the President of the United States will cause said tribes to be protected at their new residence against all interruption or disturbance from any other tribe or nation of Indians, or from any other person or persons whatever; and he shall have the same care and superintendence over them in the country to which they design to remove, that he has heretofore had over them at their present place of residence. Preamble.

ARTICLE I. The tribe or band of Shawnee Indians residing at Wapaghkonnetta and on Hog Creek in the State of Ohio, in consideration of the stipulations herein made, on the part of the United States, do for ever cede, release and quit-claim to the United States the lands granted to them by patent in fee-simple by the sixth section of the treaty made at the foot of the rapids of the Miami River of Lake Erie on the 29th day of September in the year of our Lord 1817, containing one hundred and twenty-five sections or square miles, and granted in two reservations and described in the said sixth section of the aforesaid treaty as follows:—"A tract of land ten miles square, the centre of which shall be the council house at Wapaghkonnetta;" and "a tract of land containing twenty-five square miles, which is to join the tract granted at Wapaghkonnetta, and to include the Shawnee settlement on Hog Creek, and to be laid off as nearly as possible in a square form," which said two tracts or reservations of land were granted as aforesaid to the said Shawnee Indians by the patents signed by the Commissioner of the General Land Office and certified by the Secretary of War dated the 20th day of April 1821. Also, one other tract of land, granted to the said Shawnees by the second article of the treaty made at St. Mary's in the State of Ohio, on the 17th day of September in the year 1818, and described therein as follows: "Twelve thousand eight hundred acres of land to be laid off adjoining the east line of their reserve of ten miles square at Wapaghkonnetta," making in the whole of the aforesaid cessions to the United States by the aforesaid Shawnees, one hundred and forty-five sections or square miles, which includes all the land now owned or claimed by the said band or tribe of Shawnees in the State of Ohio.

Cession of

Removal of Shawnees.

Grant of land west of the Mississippi.

ART. II. In consideration of the cessions stipulated in the foregoing article, the United States agree to cause the said tribe or band of Shawnees, consisting of about four hundred souls, to be removed in a convenient and suitable manner to the western side of the Mississippi River, and will grant by patent in fee-simple to them and their heirs for ever, as long as they shall exist as a nation and remain upon the same, a tract of land to contain one hundred thousand acres, to be located under the direction of the President of the United States, within the tract of land equal to fifty miles square, which was granted to the Shawnee Indians of the State of Missouri by the second article of a treaty made at the city of Saint Louis in said State, with the said Shawnees of Missouri by William Clark, superintendent of Indian affairs, on the 7th day of November in the year 1825; and in which it is provided that the grant aforesaid shall be for the Shawnee tribe of Indians within the State of Missouri, "and for those of the same nation now residing in Ohio, who may hereafter emigrate to the west of the Mississippi;" but if there should not be a sufficiency of good land unoccupied by the Shawnee Indians who have already settled on the tract granted as aforesaid by the said treaty of Saint Louis; then the tract of one hundred thousand acres, hereby granted to the said Shawnees of Ohio, parties to this compact, shall be located under the direction of the President of the United States on lands contiguous to the said Shawnees of Missouri, or on any other unappropriated lands within the district of country designed for the emigrating Indians of the United States.

Lands granted not to be sold.

Guarantee.

ART. X. The lands granted by this agreement and convention to the said band or tribe of Shawnees, shall not be sold nor ceded by them, except to the United States. And the United States guarantee that said lands shall never be within the bounds of any State or Territory, nor subject to the laws thereof; and further, that the President of the United States will cause said tribe to be protected at their intended residence, against all interruption or disturbance from any other tribe or nation of Indians, or from any other person or persons whatever, and he shall have the same care and superintendence over them, in the country to which they are to remove, that he has heretofore had over them at their present place of residence. No. 1723.—ARTICLES of agreement, made and concluded at the Seneca agency, on the head-waters of the Cowardin River, this 29th day of December, in the year of our Lord one thousand eight hundred and thirty-two, by and between Henry L. Ellsworth and John F. Schermerhorn, commissioners, on behalf of the United States, and the chiefs and head-men of the "United Nation" of the Senecas and Shawnee Indians, on behalf of said tribe or nation.

Preamble.

Whereas certain articles of agreement and convention were concluded at Lewistown, Ohio, on the 20th day of July, A. D. 1831, by and between the United States and the chiefs and warriors of the mixed band of the Senecas and Shawnee Indians, residing at or near Lewistown, in the State of Ohio: And whereas, by the 2nd article of said agreement, the United States stipulated and agreed, with said tribe, in the words following, to wit: "to grant by patent, in fee-simple, to them, and their heirs forever, as long as they shall exist as a nation and remain on the same, a tract of land, to contain sixty thousand acres, to be located under the direction of the President of the United States, contiguous to the lands granted to the Senecas of Sandusky, by the treaty made with them at the city of Washington, on the 27th of February 1831, and the Cherokee settlements—the east line of said tract shall be within two miles of the west line of the lands granted to the Senecas of Sandusky; and the south line shall be within two miles of the north line of the lands held by the Cherokees—and said two miles between the aforesaid lines, shall serve as a common passway between the before-mentioned tribes, to prevent them from intruding upon the lands of each other." And the treaty aforesaid was ratified and confirmed by the President and Senate of the United States, on the 6th day of April, A. D. 1832. And whereas, the said mixed band of Senecas and Shawnees removed from their homes in Ohio to settle upon the lands assigned them west

of the Mississippi, in pursuance of the provisions and stipulations of the treaty aforesaid: And whereas, the said Senecas from Sandusky, and the mixed band of Senecas and Shawnees, have lately formed a confederacy, and have expressed their anxiety to unite as one tribe or nation, to be called the "United Nation of Senecas and Shawnees," to occupy their land as tenants in common—and have the whole of the country provided for them by the United States located on the east side of Ne-o-sho or Grand River, which runs through and now divides the same: For the purpose of affording a more convenient and satisfactory location to said United Nation, the parties aforesaid do, therefore, hereby stipulate and agree as follows:

ARTICLE I. The united tribe of Senecas and Shawnee Indians do hereby cede, relinquish and forever quit-claim to the United States, all the land granted to them on the west side of Ne-o-sho or Grand River, by treaties made respectively with the Senecas of Sandusky and the mixed band of Senecas and Shawnees of Lewistown, Ohio, on the 20th day of July, 1831, and on the 28th day of February, 1831. Cession to the United States.

ART. II. In consideration of said lands, described and ceded as aforesaid, the United States will grant, by letters-patent, to the tribe or nation of Indians aforesaid, in manner as hereinafter mentioned, the following tract of land lying on the east side of Ne-o-sho or Grand River, viz: bounded on the east by the west line of the State of Missouri; south by the present established line of the Cherokee Indians; west by Ne-o-sho or Grand River; and north by a line running parallel with said south line, and extending so far from the present north line of the Seneca Indians from Sandusky, as to contain sixty thousand acres, exclusive of the land now owned by said Seneca Indians, which said boundaries include, however, all the land heretofore granted said Senecas of Sandusky, on the east side of Grand River. And the United States will grant said tract of land, by two letters-patent; the north half, in quantity, to be granted to the mixed band of the Senecas and Shawnees of Ohio, and the south half to the Senecas from Sandusky, aforesaid: the whole to be occupied in common, so long as the said tribes or bands shall desire the same. The said patents shall be granted in fee-simple; but the lands shall not be sold or ceded without the consent of the United States. Grant to Indians.

ART. V. Nothing in these articles of agreement shall be construed to affect the respective rights of the Seneca tribe of Indians from Sandusky, and the Senecas and Shawnees from Lewistown, Ohio, as secured by existing treaties, except so far as said treaties are inconsistent with the provisions of the articles aforesaid. (a) Rights under existing treaties.

Preamble.

Whereas it was agreed by the second article of said convention as follows: "That the United States agree to possess the Cherokees, and to guarantee it to them forever, and that guarantee is solemnly pledged, of seven millions of acres of land, said land to be bounded as follows, viz: commencing at a point on Arkansas River, where the eastern Choctaw boundary line strikes said river, and running thence with the western line of Arkansas Territory to the southwest corner of Missouri, and thence with the western boundary line of Missouri till it crosses the waters of Neasho, generally called Grand River; thence due west, to a point from which a due south course will strike the present northwest corner of Arkansas Territory; thence continuing due south on and with the present boundary line on the west of said Territory, to the main

branch of Arkansas River; thence down said river to its junction with the Canadian, and thence up, and between said rivers Arkansas and Canadian, to a point at which a line running north and south from river to river, will give the aforesaid seven millions of acres, thus provided for and bounded. The United States further guarantee to the Cherokee nation a perpetual outlet west, and a free and unmolested use of all the country lying west of the western boundary of the above-described limits, and as far west as the sovereignty of the United States and their right of soil extend; and

Preamble.

Whereas there was to said articles of convention and agreement the following proviso, viz: *Provided, nevertheless*, That said convention shall not be so construed as to extend the northern boundary of said perpetual outlet west, provided for and guaranteed in the second article of said convention, north of the thirty-sixth degree of north latitude, or so as to interfere with the lands assigned, or to be assigned, west of the Mississippi River, to the Creek Indians who have emigrated, or may emigrate, from the States of Georgia and Alabama, under the provision of any treaty, or treaties, heretofore concluded, between the United States and the Creek tribe of Indians: *And provided further*, That nothing in said convention shall be construed to cede, or assign, to the Cherokees any lands heretofore ceded, or assigned, to any tribe, or tribes of Indians, by any treaty now existing and in force with any such tribe or tribes; and

Preamble.

Whereas it appears from the Creek treaty, made with the United States by the Creek nation, dated twenty-fourth day of January, eighteen hundred and twenty-six, at the city of Washington, that they had the right to select, and did select, a part of the country described within the boundaries mentioned above in said Cherokee articles of agreement; and

Preamble.

Whereas both the Cherokee and Creek nations of Indians west of the Mississippi, anxious to have their boundaries settled in an amicable manner, have met each other in council, and, after full deliberation, mutually agreed upon the boundary lines between them:

Now, therefore, the United States on one part, and the chiefs and head-men of the Cherokee nation of Indians west of the Mississippi on the other part, agree as follows:

**Territory guaranteed to Cherokees.
Boundaries.**

ARTICLE 1. The United States agree to possess the Cherokees, and to guarantee it to them forever, and that guarantee is hereby pledged, of seven millions of acres of land, to be bounded as follows, viz: Beginning at a point on the old western Territorial line of Arkansas Territory, being twenty-five miles north from the point where the Territorial line crosses Arkansas River; thence running from said north point, south, on the said Territorial line, to the place where said Territorial line crosses the Verdigris River; thence down said Verdigris River to the Arkansas River; thence down said Arkansas to a point where a stone is placed opposite the east or lower bank of Grand River at its junction with the Arkansas; thence running south, forty-four degrees west, one mile; thence in a straight line to a point four miles northerly from the mouth of the North Fork of the Canadian; thence along the said four-miles line to the Canadian; thence down the Canadian to the Arkansas; thence down the Arkansas to that point on the Arkansas where the eastern Choctaw boundary strikes said river; and running thence with the western line of Arkansas Territory as now defined, to the southwest corner of Missouri; thence along the western Missouri line to the land assigned the Senecas; thence on the south line of the Senecas to Grand River; thence up said Grand River as far as the south line of the Osage reservation, extended if necessary; thence up and between said south Osage line, extended west if necessary; and a line drawn due west from the point of beginning, to a certain distance west, at which a line running north and south from said Osage line to said due west line will make seven millions of acres within the whole described boundaries. In addition to the seven millions of acres of land, thus provided for, and bounded, the United States further guarantee to the Cherokee nation a perpetual outlet west and a free and unmolested use of all the country lying west of the western boundary of said seven millions of acres as far west as the sovereignty of the United States and their right of soil extend: *Provided, however*, That if the saline, or salt plain, on the great western prairie, shall fall within said limits prescribed for said outlet, the right is reserved to the United States to permit other tribes

of red men to get salt on said plain in common with the Cheerokees; and letters-patent shall be issued by the United States as soon as practicable for the land hereby guaranteed. Salines.

ART. 2. The Cheerokee nation hereby relinquish and quit-claim to the United States all the right, interest, and title which the Cherokees have or claim to have in and to all the land ceded, or claimed to have been ceded to said Cheerokee nation by said treaty of sixth of May, one thousand eight hundred and twenty-eight, and not embraced within the limits or boundaries fixed in this present supplementary treaty or articles of convention and agreement. Relinquish-
ment of former
cession.

ART. 5. These articles of agreement and convention are to be considered supplementary to the treaty before mentioned between the United States and the Cheerokee nation west of the Mississippi, dated sixth of May, one thousand eight hundred and twenty-eight, and not to vary the rights of the parties to said treaty, any further than said treaty is inconsistent with the provisions of this treaty, now concluded, or these articles of convention and agreement. Supplementary
to treaty of May
6, 1828.

ART. 6. It is further agreed by the Cheerokee nation that one mile square shall be reserved and set apart from the lands hereby guaranteed for the accommodation of the Cheerokee agency; and the location of the same shall be designated by the Cheerokee nation, in conjunction with the agent of the Government of the United States. Reservation for
agency.

ART. 7. This treaty, or articles of convention, after the same have been ratified by the President and Senate, shall be obligatory on the United States and said Cheerokee nation. (a)

Whereas, certain articles of a treaty were concluded at the city of Washington, on the 24th day of January one thousand eight hundred and twenty-six, by and between James Barbour, Secretary of War, on behalf of the United States, and the chiefs and head-men of the Creek nation of Indians; by which it is agreed that the said Indians shall remove to a country west of the Mississippi River: and whereas the sixth article of said treaty provides as follows:—"That a deputation of five persons shall be sent by them, (the Creek nation) at the expense of the United States, immediately after the ratification of the treaty, to examine the country west of the Mississippi, not within the limits of the States or Territories, and not possessed by the Choctaws or Cherokees. And the United States agree to purchase for them, if the same can conveniently be done upon reasonable terms, wherever they may select, a country, whose extent shall in the opinion of the President, be proportioned to their numbers. And if such purchase cannot be thus made, it is then agreed that the selection shall be made where the President may think proper, just reference being had to the wishes of the emigrating party." And whereas, the Creek Indians aforesaid, did send five persons as delegates, to explore the country pointed out to them by their treaty; which delegates selected a country west of the Territory of Arkansas, lying and being along and between the Verdigris, Arkansas, and Canadian rivers: and, to the country thus selected, a party of the Creek Indians emigrated the following year. And whereas certain articles of treaty or convention, were concluded at the city of Washington on the 6th day of May, A. D. one thousand eight hundred and twenty-eight, by and between James Barbour Secretary of War, on behalf of the United States, and certain chiefs and head-men of the Cheerokee nation of Indians; by the second article of which convention, a country was assigned to the Cheerokee Indians aforesaid, including within its boundaries some of the lands previously selected and claimed by the Creek Indians, under their treaty aforesaid. And whereas, the President and Senate of the United States, for the purpose of protecting the rights secured to the Creek Indians, by their treaty stipulations, and with a view to prevent collision and misunderstanding between the two nations, ratified and confirmed the Cheerokee treaty, on the 28th day of May, 1828, with the following proviso: viz.—"Pro-

vided, nevertheless, That the said convention shall not be so construed as to extend the northern boundary of the perpetual outlet west, provided for and guaranteed in the second article of said convention, north of the 36th deg. of north latitude, or so as to interfere with the lands assigned, or to be assigned, west of the Mississippi River to the Creek Indians, who have emigrated or may emigrate from the States of Georgia and Alabama, under the provisions of any treaty or treaties heretofore concluded between the United States and the Creek tribe of Indians: And provided further, that nothing in the said convention shall be construed to cede or assign to the Cherokees any lands heretofore ceded or assigned to any tribe or tribes of Indians, by any treaty now existing and in force, with any such tribe or tribes." And whereas the said proviso and ratification of the Cherokee treaty, was accepted by the delegates of the nation, then at the city of Washington as satisfactory to them, as is shown in and by their certain instrument in writing, bearing date the 31st day of May 1823, appended to and published with their treaty aforesaid. But, afterwards, the Cherokees of Arkansas and many of those residing east of the Mississippi at the time that treaty was concluded, removed to the country described in the second article of their treaty and settled upon a certain portion of the land claimed by the Creek Indians under their treaty provisions and stipulations. And whereas difficulties and dissensions thus arose between the Cherokees and Creek tribes about their boundary lines, which occasioned an appeal to the President of the United States for his interposition, and final settlement of the question, which they were unable to settle between themselves. And whereas the commissioners of the United States, whose names are signed hereto, in pursuance of the power and authority vested in them by the President of the United States, met the chiefs and head-men of the Cherokee and Creek nations of Indians, in council, on the 29th ultimo; and after a full and patient hearing and careful examination of all the claims, set up and brought forward by both the contending parties, they have this day effected an adjustment of all their difficulties, and have succeeded in defining and establishing boundary lines to their country west of the Mississippi, which have been acknowledged, in open council, this day, to be mutually satisfactory to both nations.

Objects.

Now, therefore, for the purpose of securing the great objects contemplated by an amicable settlement of the difficulties heretofore existing between the Cherokees and Muskogee or Creek Indians, so injurious to both parties; and in order to establish boundary lines which will secure a country and permanent home to the whole Creek nation of Indians, including the Seminole nation who are anxious to join them, the undersigned commissioners, duly authorized to act on behalf of the United States, and the chiefs and head-men of the said Muskogee or Creek Indians, having full power and authority to act for their people west of the Mississippi, hereby agree to the following articles:

Bounds of the grants to the Creeks.

ART. II. The United States hereby agree, by and with the consent of the Creek and Cherokee delegates, this day obtained, that the Muskogee or Creek country west of the Mississippi, shall be embraced within the following boundaries, viz:—Beginning at the mouth of the north fork of the Canadian River, and run northerly four miles—thence running a straight line so as to meet a line drawn from the south bank of the Arkansas River opposite to the east or lower bank of Grand River, at its junction with the Arkansas, and which runs a course south 44 deg. west, one mile, to a post placed in the ground—thence along said line to the Arkansas, and up the same and the Verdigris River, to where the old Territorial line crosses it—thence along said line north to a point twenty-five miles from the Arkansas River where the old Territorial line crosses the same—thence running a line at right angles with the Territorial line aforesaid, or west, to the Mexico line—thence along the said line southerly to the Canadian River or to the boundary of the Choctaw country—thence down said river to the place of beginning. The lines, hereby defining the country of the Muskogee Indians on the north and east, bound the country of the Cherokees along these courses, as settled by the treaty concluded this day between the United States and that tribe.

United States will convey in fee simple.

ART. III. The United States will grant a patent, in fee-simple, to the Creek nation of Indians for the land assigned said nation by this treaty or convention, whenever the same shall have been ratified by the Presi-

dent and Senate of the United States—and the right thus guaranteed by the United States shall be continued to said tribe of Indians, so long as they shall exist as a nation, and continue to occupy the country hereby assigned them.

ART. IV. It is hereby mutually understood and agreed between the parties to this treaty, that the land assigned to the Muskogee Indians, by the second article thereof, shall be taken and considered the property of the whole Muskogee or Creek nation, as well of those now residing upon the land, as the great body of said nation who still remain on the east side of the Mississippi: and it is also understood and agreed that the Seminole Indians of Florida, whose removal to this country is provided for by their treaty with the U. S. dated May 9th, 1832, shall also have a permanent and comfortable home on the lands hereby set apart as the country of the Creek nation: and they (the Seminoles) will hereafter be considered a constituent part of said nation, but are to be located on some part of the Creek country by themselves—which location will be selected for them by the commissioners who have signed these articles of agreement or convention.

The whole Creek nation and the Seminoles interested.

ART. VIII. It is agreed by the parties to this convention, that the country hereby provided for the Creek Indians, shall be taken in lieu of and considered to be the country provided or intended to be provided, by the treaty made between the United States and the Creek nation on the 24th day of January, 1826, under which they removed to this country. No. 1726.—ARTICLES of agreement or a treaty between the United States and the Quapaw Indians entered into by John F. Schermerhorn, commissioner of Indian affairs west on the part of the United States and the chiefs and warriors of the Quapaw Indians.

May 13, 1833.
Proclamation,
April 12, 1834.
Vol. 7, p. 424.

Whereas, by the treaty between the United States and the Quapaw Indians, concluded November 15th, 1824, they ceded to the United States all their lands in the Territory of Arkansas, and according to which they were "to be concentrated and confined to a district of country inhabited by the Caddo Indians and form a part of said tribe," and whereas they did remove according to the stipulations of said treaty, and settled on the Bayou Treache on the south side of Red River, on a tract of land given them by the Caddo Indians, but which was found subject to frequent inundations on account of the raft on Red River, and where their crops were destroyed by the water year after year, and which also proved to be a very sickly country and where in a short time, nearly one-fourth of their people died, and whereas they could obtain no other situation from the Caddoes and they refused to incorporate them and receive them as a constituent part of their tribe as contemplated by their treaty with the United States, and as they saw no alternative but to perish if they continued there, or to return to their old residence on the Arkansas, they therefore chose the latter; and whereas they now find themselves very unhappily situated in consequence of having their little improvements taken from them by the settlers of the country; and being anxious to secure a permanent and peaceable home the following articles or treaty are agreed upon between the United States and the Quapaw Indians by John F. Schermerhorn — — — commissioners of Indian affairs west and the chiefs and warriors of said Quapaw Indians this (13th) thirteenth day of May, 1833.—

Former treaties.

ART. 2. Whereas, by the treaty of May 6th, 1828, and the supplementary treaty thereto of Feb. 14th, 1833, with the Cherokees west of the Mississippi, the United States guarantied and secured to be conveyed by patent, to the Cherokee nation of Indians, the following tract of country: "Beginning at a point on the old western Territorial line of Arkansas Territory, being twenty-five miles north from the point where the Territorial line crosses Arkansas River; thence running from said north point south on the said Territorial line where the said Territorial line crosses Verdigris River; thence down said Verdigris River

to the Arkansas River; thence down said Arkansas to a point where a stone is placed opposite the east or lower bank of Grand River at its junction with the Arkansas; thence running south forty-four degrees west one mile; thence in a straight line to a point four miles northerly, from the mouth of the north fork of the Canadian; thence along the said four-mile line to the Canadian; thence down the Canadian to the Arkansas; thence down the Arkansas to that point on the Arkansas where the eastern Choctaw boundary strikes said river, and running thence with the western line of Arkansas Territory, as now defined, to the southwest corner of Missouri; thence along the western Missouri line to the land assigned the Senecas; thence on the south line of the Senecas to Grand River; thence up said Grand River as far as the south line of the Osage reservation, extended if necessary; thence up and between said south Osage line, extended west if necessary, and a line drawn due west from the point of beginning to a certain distance west, at which a line running north and south from said Osage line to said due west line will make seven millions of acres within the whole described boundaries. In addition to the seven millions of acres of land thus provided for and bounded, the United States further guaranty to the Cherokee nation a perpetual outlet west, and a free and unmolested use of all the country west of the western boundary of said seven millions of acres, as far west as the sovereignty of the United States and their right of soil extend: *Provided, however,* That if the saline or salt plain on the western prairie shall fall within said limits prescribed for said outlet, the right is reserved to the United States to permit other tribes of red men to get salt on said plain in common with the Cherokees; and letters-patent shall be issued by the United States as soon as practicable for the land hereby guaranteed; and whereas it is apprehended by the Cherokees that in the above cession there is not contained a sufficient quantity of land for the accommodation of the whole nation on their removal west of the Mississippi, the United States, in consideration of the sum of five hundred thousand dollars therefore, hereby covenant and agree to convey to the said Indians and their descendants, by patent in fee-simple, the following additional tract of land, situated between the west line of the State of Missouri and the Osage reservation, beginning at the southeast corner of the same and runs north along the east line of the Osage lands fifty miles to the northeast corner thereof; and thence east to the west line of the State of Missouri; thence with said line south fifty miles; thence west to the place of beginning; estimated to contain eight hundred thousand acres of land; but it is expressly understood that if any of the lands assigned the Quapaws shall fall within the aforesaid bounds the same shall be reserved and excepted out of the lands above granted, and a pro rata reduction shall be made in the price to be allowed to the United States for the same by the Cherokees.

It is, however, agreed that the military reservation at Fort Gibson shall be held by the United States. But should the United States abandon said post and have no further use for the same it shall revert to the Cherokee nation. The United States shall always have the right to make and establish such post and military forts in any part of the Cherokee country as they may deem proper for the interest and protection of the same, and the free use of as much land, timber, fuel, and materials of all kinds for the construction and support of the same, as may be necessary; provided that if the private rights of individuals are interfered with, a just compensation therefor shall be made.

June 22, 1835.
Proclamation,
March 4, 1854.
Vol. 11, p. 611.

Whereas the political connexion heretofore existing between the Choctaw and the Chickasaw tribes of Indians has given rise to unhappy and injurious dissensions and controversies among them, which render necessary a readjustment of their relations to each other and to the United States; and

Preamble.

Whereas the United States desire that the Choctaw Indians shall relinquish all claim to any territory west of the one hundredth degree of west longitude, and also to make provision for the permanent settlement within the Choctaw country of the Wichita and certain other tribes or bands of Indians, for which purpose the Choctaws and Chickasaws are willing to lease, on reasonable terms, to the United States, that portion of their common territory which is west of the ninety-eighth degree of west longitude; and

Preamble.

Whereas the Choctaws contend that, by a just and fair construction of the treaty of September 27, 1830, they are, of right, entitled to the net proceeds of the lands ceded by them to the United States, under said treaty, and have proposed that the question of their right to the same, together with the whole subject-matter of their unsettled claims, whether national or individual, against the United States, arising under the various provisions of said treaty, shall be referred to the Senate of the United States for final adjudication and adjustment; and whereas it is necessary for the simplification and better understanding of the relations between the United States and the Choctaw Indians, that all their subsisting treaty stipulations be embodied in one comprehensive instrument:

Preamble.

Now, therefore, the United States of America, by their commissioner, George W. Manypenny, the Choctaws, by their commissioners, Peter P. Pitchlynn, Israel Folsom, Samuel Garland, and Dickson W. Lewis, and the Chickasaws, by their commissioners, Edmund Pickens and Sampson Folsom, do hereby agree and stipulate as follows, viz:

ARTICLE 1. The following shall constitute and remain the boundaries of the Choctaw and Chickasaw country, viz: Beginning at a point on the Arkansas River, one hundred paces east of old Fort Smith, where the western boundary line of the State of Arkansas crosses the said river, and running thence due south to Red River; thence up Red River to the point where the meridian of one hundred degrees west longitude crosses the same; thence north along said meridian to the main Canadian River; thence down said river to its junction with the Arkansas River; thence down said river to the place of beginning.

Future boundary of the Choctaw and Chickasaw country.

And pursuant to an act of Congress approved May 23, 1830, the United States do hereby forever secure and guarantee the lands embraced within the said limits, to the members of the Choctaw and Chickasaw tribes, their heirs and successors, to be held in common; so that each and every member of either tribe shall have an equal, undivided interest in the whole: *Provided, however,* No part thereof shall ever be sold without the consent of both tribes; and that said land shall revert to the United States if said Indians and their heirs become extinct, or abandon the same.

The lands in these limits guaranteed to them.

ART. 2. A district for the Chickasaws is hereby established, bounded as follows, to wit: beginning on the north bank of Red River, at the mouth of Island Bayou, where it empties into Red River, about twenty-six miles on a straight line, below the mouth of False Washitta; thence running a northwesterly course along the main channel of said bayou, to the junction of the three prongs of said bayou, nearest the dividing ridge between Washitta and Low Blue rivers, as laid down on Capt. R. L. Hunter's map; thence northerly along the eastern prong of Island Bayou to its source; thence due north to the Canadian River; thence west along the main Canadian to the ninety-eighth degree of west longitude; thence south to Red River; and thence down Red River to the beginning: *Provided, however,* If the line running due north, from the eastern source of Island Bayou, to the main Canadian, shall not include Allen's or Wa-pa-nacka Academy, within the Chickasaw district, then, an offset shall be made from said line, so as to leave said academy two

miles within the Chickasaw district, north, west and south from the lines of boundary.

Choctaw district. ART. 3 The remainder of the country held in common by the Choctaws and Chickasaws, shall constitute the Choctaw district, and their officers and people shall at all times have the right of safe conduct and free passage through the Chickasaw district.

Cession of land by the Choctaws. ART. 9. The Choctaw Indians do hereby absolutely and forever quit-claim and relinquish to the United States all their right, title, and interest in, and to any and all lands, west of the one hundredth degree of west longitude; and the Choctaws and Chickasaws do hereby lease to the United States all that portion of their common territory west of the ninety-eighth degree of west longitude, for the permanent settlement of the Wichita and such other tribes or bands of Indians as the Government may desire to locate therein; excluding, however, all the Indians of New Mexico, and also those whose usual ranges at present are north of the Arkansas River, and whose permanent locations are north of the Canadian River, but including those bands whose permanent ranges are south of the Canadian, or between it and the Arkansas; which Indians shall be subject to the exclusive control of the United States, under such rules and regulations, not inconsistent with the rights and interests of the Choctaws and Chickasaws, as may from time to time be prescribed by the President for their government: *Provided, however,* The Territory so leased shall remain open to settlement by Choctaws and Chickasaws as heretofore.

Military posts, post-roads, and agencies may be established. ART. 17. The United States shall have the right to establish and maintain such military posts, post-roads, and Indian agencies, as may be deemed necessary within the Choctaw and Chickasaw country, but no greater quantity of land or timber shall be used for said purposes, than shall be actually requisite; and if, in the establishment or maintenance of such posts, post-roads, and agencies, the property of any Choctaw or Chickasaw shall be taken, injured, or destroyed, just and adequate compensation shall be made by the United States. Only such persons as are, or may be in the employment of the United States, or subject to the jurisdiction and laws of the Choctaws, or Chickasaws, shall be permitted to farm or raise stock within the limits of any of said military posts or Indian agencies. And no offender against the laws of either of said tribes, shall be permitted to take refuge therein.

Right of way for railroads and telegraphs. ART. 18. The United States, or any incorporated company, shall have the right of way for railroads, or lines of telegraphs, through the Choctaw and Chickasaw country; but for any property taken or destroyed in the construction thereof, full compensation shall be made to the party or parties injured, to be ascertained and determined in such manner as the President of the United States shall direct. (a)

This treaty to supersede all former treaties with the Choctaws, and all inconsistent treaties with Chickasaws, or between said tribes. ART. 21. This convention shall supersede and take the place of all former treaties between the United States and the Choctaws, and also, of all treaty stipulations between the United States and the Chickasaws, and between the Choctaws and Chickasaws, inconsistent with this agreement, and shall take effect and be obligatory upon the contracting parties, from the date hereof, whenever the same shall be ratified by the respective councils of the Choctaw and Chickasaw tribes, and by the President and Senate of the United States. thousand eight hundred and fifty-five, which provides that for any property taken or destroyed in the construction thereof full compensation shall be made to the party or parties injured, to be ascertained and determined in such manner as the President of the United States shall direct. But such railroad company or companies, with all its or their agents and employes shall be subject to the laws of the United States relating to intercourse with Indian tribes, and also to such rules and regulations as may be prescribed by the Secretary of the Interior for that purpose. And it is also stipulated and agreed that the nation through which the road or roads aforesaid shall pass may subscribe to the stock of the particular company or companies such amount or amounts as they may be able to pay for in alternate sections of unoccupied lands for a space of six miles on each side of said road or roads, at a price per acre to be agreed upon between said Choctaw and Chickasaw nations and the said company or companies, subject to the approval of the President of the United States: *Provided, however,* That said land, thus subscribed, shall not be sold, or demise, or occupied by any one not a citizen of the Choctaw or Chickasaw nations, according to their laws and recognized usages: *Provided,* That the officers, servants, and employes of such companies necessary to the construction and management of said road or roads shall not be excluded from such occupancy as their respective functions may require, they being subject to the provisions of the Indian intercourse law and such rules and regulations as may be established by the Secretary of the Interior: *And provided also,* That the stock thus subscribed by either of said nations shall have the force and effect of a first-mortgage bond on all that part of said road, appurtenances, and equipments situated and used within said nations respectively, and shall be a perpetual lien on the same, and the said nations shall have the right, from year to year, to elect to receive their equitable proportion of declared dividends of profits on their said stock, or interest on the par value at the rate of six per cent. per annum.

2. And it is further declared in this connection, that as fast as sections of twenty miles in length are completed, with the rails laid ready for use, with all water and other stations necessary to the use thereof, as a first-class road, the said company or companies shall become entitled to patents for the alternate sections aforesaid, and may proceed to dispose thereof in the manner herein provided for, subject to the approval of the Secretary of the Interior.

3. And it is further declared, also, in case of one or more of said alternate sections being occupied by any member or members of said nations respectively, so that the same cannot be transferred to the said company or companies, that the said nation or nations, respectively, may select any unoccupied section or sections, as near as circumstances will permit, to the said width of six miles on each side of said road or roads, and convey the same as an equivalent for the section or sections so occupied as aforesaid. (a)

ART. XI. Whereas the land occupied by the Choctaw and Chickasaw nations, and described in the treaty between the United States and said nations, of June twenty-second, eighteen hundred and fifty-five, is now held by the members of said nations in common, under the provisions of the said treaty; and whereas it is believed that the holding of said land in severalty will promote the general civilization of said nations, and tend to advance their permanent welfare and the best interests of their individual members, it is hereby agreed that, should the Choctaw and Chickasaw people, through their respective legislative councils, agree to the survey and dividing their land on the system of the United States, the land aforesaid east of the ninety-eighth degree of west longitude shall be, in view of the arrangements hereinafter mentioned, surveyed and laid off in ranges, townships, sections, and parts of sections; and that for the purpose of facilitating such surveys and for the settlement and distribution of said land as hereinafter provided, there shall be established at Boggy Depot, in the Choctaw territory, a land office; and that, in making the said surveys and conducting the business of the said office, including the appointment of all necessary agents and surveyors, the same system shall be pursued which has heretofore governed in respect to the public lands of the United States, it being understood that the said surveys shall be made at the cost of the United States and by their agents and surveyors, as in the case of their own

public lands, and that the officers and employes shall receive the same compensation as is paid to officers and employes in the land offices of the United States in Kansas.

ART. XII. The maps of said surveys shall exhibit, as far as practicable, the outlines of the actual occupancy of members of the said nations, respectively; and when they are completed, shall be returned to the said land office at Boggy Depot for inspection by all parties interested, when notice for ninety days shall be given of such return, in such manner as the legislative authorities of the said nations, respectively, shall prescribe, or, in the event of said authorities failing to give such notice in a reasonable time, in such manner as the register of said land office shall prescribe, calling upon all parties interested to examine said maps to the end that errors, if any, in the location of such occupancies, may be corrected.

Maps of surveys to exhibit actual occupancies, &c.

ART. XIII. The notice required in the above article shall be given, not only in the Choctaw and Chickasaw nations, but by publication in newspapers printed in the States of Mississippi and Tennessee, Louisiana, Texas, Arkansas, and Alabama, to the end that such Choctaws and Chickasaws as yet remain outside of the Choctaw and Chickasaw nations, may be informed and have opportunity to exercise the rights hereby given to resident Choctaws and Chickasaws: *Provided*, That before any such absent Choctaw or Chickasaw shall be permitted to select for him or herself, or others, as hereinafter provided, he or she shall satisfy the register of the land office of his or her intention, or the intention of the party for whom the selection is to be made, to become bona-fide resident in the said nation within five years from the time of selection; and should the said absentee fail to remove into said nation, and occupy and commence an improvement on the land selected within the time aforesaid, the said selection shall be cancelled, and the land shall thereafter be discharged from all claim on account thereof.

Notice to parties interested to examine the maps.

ART. XIV. At the expiration of the ninety days aforesaid the legislative authorities of the said nations, respectively, shall have the right to select one quarter-section of land in each of the counties of said nations respectively, in trust for the establishment of seats of justice therein, and also as many quarter-sections as the said legislative councils may deem proper for the permanent endowment of schools, seminaries, and colleges in said nation, provided such selection shall not embrace or interfere with any improvement in the actual occupation of any member of the particular nation without his consent; and provided the proceeds of sale of the quarter-sections selected for seats of justice shall be appropriated for the erection or improvement of public buildings in the county in which it is located.

Lands may be selected for seats of justice, for schools, seminaries and colleges.

ART. XV. At the expiration of the ninety days' notice aforesaid, the selection which is to change the tenure of the land in the Choctaw and Chickasaw nations from a holding in common to a holding in severalty shall take place, when every Choctaw and Chickasaw shall have the right to one quarter-section of land, whether male or female, adult or minor, and if in actual possession or occupancy of land improved or cultivated by him or her, shall have a prior right to the quarter-section in which his or her improvement lies; and every infant shall have selected for him or her a quarter-section of land in such location as the father of such infant, if there be a father living, and if no father living, then the mother or guardian, and should there be neither father, mother, nor guardian, then as the probate judge of the county, acting for the best interest of such infant, shall select.

Each Indian to have a right to one quarter-section of land.

Actual occupancy. Infants.

ART. XVI. Should an actual occupant of land desire, at any time prior to the commencement of the surveys aforesaid, to abandon his improvement, and select and improve other land, so as to obtain the prior right of selection thereof, he or she shall be at liberty to do so; in which event the improvement so abandoned shall be open to selection by other parties: *Provided*, That nothing herein contained shall authorize the multiplication of improvements so as to increase the quantity of land beyond what a party would be entitled to at the date of this treaty.

Actual occupant, prior to surveys, may abandon his improvements and select other land. *Provided*.

ART. XVII. No selection to be made under this treaty shall be permitted to deprive or interfere with the continued occupation, by the missionaries established in the respective nations, of their several missionary establishments; it being the wish of the parties hereto to promote and foster an influence so largely conducive to civilization and refinement. Should any missionary who has been engaged in missionary labor for five consecutive years before the date of this treaty in the

said nations, or either of them, or three consecutive years prior to the late rebellion, and who, if absent from the said nations, may desire to return, wish to select a quarter-section of land with a view to a permanent home for himself and family, he shall have the privilege of doing so, provided no selection shall include any public buildings, schools or seminary; and a quantity of land not exceeding six hundred and forty acres, to be selected according to legal subdivisions in one body, and to include their improvements, is hereby granted to every religious society or denomination which has erected, or which, with the consent of the Indians, may hereafter erect buildings within the Choctaw and Chickasaw country for missionary or educational purposes; but no land thus granted, nor the buildings which have been or may be erected thereon, shall ever be sold or otherwise disposed of, except with the consent of the legislatures of said nations respectively and approval of the Secretary of the Interior; and whenever such lands or buildings shall be sold or disposed of, the proceeds thereof shall be applied, under the direction of the Secretary of the Interior, to the support and maintenance of other similar establishments for the benefit of the Choctaws and Chickasaws, and such other persons as may hereafter become members of their nations, according to their laws, customs, and usages.

Rights of parents in selecting land for children.

ART. XVIII. In making a selection for children the parent shall have a prior right to select land adjacent to his own improvements or selection, provided such selection shall be made within thirty days from the time at which selections under this treaty commence.

Mode of selecting lands.

ART. XIX. The manner of selecting as aforesaid shall be by an entry with the register of the land office, and all selections shall be made to conform to the legal subdivisions of the said lands as shown by the surveys aforesaid on the maps aforesaid; it being understood that nothing herein contained is to be construed to confine a party selecting to one section, but he may take contiguous parts of sections by legal subdivisions in different sections, not exceeding together a quarter-section.

Proof of improvements to be made prior to entries.

ART. XX. Prior to any entries being made under, the foregoing provisions, proof of improvements, or actual cultivation, as well as the number of persons for whom a parent or guardian, or probate judge of the county proposes to select and of their right to select, and of his or her authority to select for them, shall be made to the register and receiver of the land office, under regulations to be prescribed by the Secretary of the Interior.

Sections sixteen and thirty-six to be reserved for schools. Proviso.

ART. XXI. In every township the sections of land numbered sixteen and thirty-six shall be reserved for the support of schools in said township: *Provided*, That if the same has been already occupied by a party or parties having the right to select it, or it shall be so sterile as to be unavailable, the legislative authorities of the particular nations shall have the right to select such other unoccupied sections as they may think proper.

Military posts and Indian agencies.

ART. XXII. The right of selection hereby given shall not authorize the selection of any land required by the United States as a military post, or Indian agency, not exceeding one mile square, which, when abandoned, shall revert to the nation in which the land lies.

Names of persons for whom selections are made to be in books of register.

ART. XXIII. The register of the land office shall inscribe in a suitable book or books, in alphabetical order, the name of every individual for whom a selection shall be made, his or her age, and a description of the land selected.

Town lots.

ART. XXIV. Whereas it may be difficult to give to each occupant of an improvement a quarter-section of land, or even a smaller subdivision, which shall include such improvement, in consequence of such improvements lying in towns, villages, or hamlets, the legislative authorities of the respective nations shall have power, where, in their discretion, they think it expedient, to lay off into town lots any section or part of a section so occupied, to which lots the actual occupants, being citizens of the respective nations, shall have pre-emptive right, and, upon paying into the treasury of the particular nation the price of the land as fixed by the respective legislatures, exclusive of the value of said improvement, shall receive a conveyance thereof. Such occupant shall not be prejudiced thereby in his right to his selection elsewhere. The town lots which may be unoccupied shall be disposed of for the benefit of the particular nation, as the legislative authorities may direct from time to time. When the number of occupants of the same quarter-

section shall not be such as to authorize the legislative authorities to lay out the same, or any part thereof, into town lots, they may make such regulations for the disposition thereof as they may deem proper, either by subdivision of the same, so as to accommodate the actual occupants, or by giving the right of prior choice to the first occupant in point of time, upon paying the others for their improvements, to be valued in such way as the legislative authorities shall prescribe, or otherwise. All occupants retaining their lots under this section, and desiring, in addition, to make a selection, must pay for the lots so retained, as in the case of town lots. And any Choctaw or Chickasaw who may desire to select a sectional division other than that on which his homestead is, without abandoning the latter, shall have the right to purchase the homestead sectional division at such price as the respective legislatures may prescribe.

ART. XXV. During ninety days from the expiration of the ninety days' notice aforesaid, the Choctaws and Chickasaws shall have the exclusive right to make selections, as aforesaid, and at the end of that time the several parties shall be entitled to patents for their respective selections, to be issued by the President of the United States, and countersigned by the chief executive officer of the nation in which the land lies, and recorded in the records of the executive office of the particular nation; and copies of the said patents, under seal, shall be evidence in any court of law or equity.

When patents to issue for selected lands.

ART. XXVI. The right here given to Choctaws and Chickasaws, respectively, shall extend to all persons who have become citizens by adoption or intermarriage of either of said nations, or who may hereafter become such.

Citizens by adoption or intermarriage to have same rights.

ART. XXVII. In the event of disputes arising in regard to the rights of parties to select particular quarter-sections or other divisions of said land, or in regard to the adjustment of boundaries, so as to make them conform to legal divisions and subdivisions such disputes shall be settled by the register of the land office and the chief executive officer of the nation in which the land lies, in a summary way, after hearing the parties; and if said register and chief officer cannot agree, the two to call in a third party, who shall constitute a third referee, the decision of any two of whom shall be final, without appeal.

Disputes as to selections of lands, how to be settled.

ART. XXVIII. Nothing contained in any law of either of the said nations shall prevent parties entitled to make selections contiguous to each other; and the Choctaw and Chickasaw nations hereby agree to repeal all laws inconsistent with this provision.

Contiguous selections.

ART. XXIX. Selections made under this treaty shall, to the extent of one quarter-section, including the homestead or dwelling, be inalienable for the period of twenty-one years from the date of such selection, and upon the death of the party in possession shall descend according to the laws of the nation where the land lies; and in the event of his or her death without heirs, the said quarter-section shall escheat to and become the property of the nation.

Selections to be inalienable, &c.

ART. XXXII. At the expiration of two years, or sooner, if the President of the United States shall so direct, from the completion of the surveys and maps aforesaid, the officers of the land offices aforesaid shall deliver to the executive departments of the Choctaw and Chickasaw nations, respectively, all such documents as may be necessary to elucidate the land title as settled according to this treaty, and forward copies thereof, with the field-notes, records, and other papers pertaining to said titles, to the Commissioner of the General Land Office; and thereafter grants of land and patents therefor shall be issued in such manner as the legislative authorities of said nations may provide for all the unselected portions of the Choctaw and Chickasaw districts as defined by the treaty of June twenty-second, eighteen hundred and fifty-five.

Documents in land offices to be given to Choctaws and Chickasaws in two years.

ART. XXXIII. All lands selected as herein provided shall thereafter be held in severalty by the respective parties, and the unselected land shall be the common property of the Choctaw and Chickasaw nations, in their corporate capacities, subject to the joint control of their legislative authorities.

Proceedings afterwards.

ART. XXXIV. Should any Choctaw or Chickasaw be prevented from selecting for him or herself during the the ninety days aforesaid, the failure to do so shall not authorize another to select the quarter-section containing his improvement, but he may at any time make his selection thereof, subject to having his boundaries made to conform to legal divisions as aforesaid.

Selected lands to be held in severalty, and the unselected in common.

Those prevented from selecting in ninety days may select afterwards.

Select one after
transfer of land
records

ART. XXXV. Should the selections aforesaid not be made before the transfer of the land records to the executive authorities of said nations, respectively, they shall be made according to such regulations as the legislative authorities of the two nations, respectively, may prescribe, to the end that full justice and equity may be done to the citizens of the respective Territories.

Selected land
abandoned for
seven years, ex-
cept, &c., may be
rented, &c.

ART. XXXVI. Should any land that has been selected under the provisions of this treaty be abandoned and left uncultivated for the space of seven years by the party selecting the same, or his heirs, except in the case of infants under the age of twenty-one years, or married women, or persons non compos mentis, the legislative authorities of the nation where such land lies may either rent the same for the benefit of those interested, or dispose of the same otherwise for their benefit, and may pass all laws necessary to give effect to this provision.

Preamble.

Whereas the Pottawatomies believe that it is for the interest of their tribe that a home should be secured for them in the Indian country south of Kansas, while there is yet an opportunity for the selection of a suitable reservation; and whereas the tribe has the means of purchasing such reservation from funds to arise from the sale of lands under the provisions of this treaty, without interfering with the exclusive rights of those of their people who hold their lands in common to the ownership of their diminished reserve, held by them in common, or with their right to receive their just proportion of the moneys arising from the sale of unallotted lands, known as surplus lands: Now, therefore, it is agreed—

Commission to
select a reserva-
tion.

ARTICLE I. It being the intention of the Government that a commission shall visit the Indian country as soon as practicable after the ratification of the treaties contemplating the removal of certain tribes from Kansas, accompanied by delegates from the several tribes proposing to remove, it is agreed that a delegation of the Pottawatomies may accompany said commission in order to select, if possible, a suitable location for their people without interfering with the locations made for other Indians; and if such location shall be found satisfactory to the Pottawatomies, and approved by the Secretary of the Interior, such tract of land, not exceeding thirty miles square, shall be set apart as a reservation for the exclusive use and occupancy of that tribe; and upon the survey of its lines and boundaries, and ascertaining of its area, and payment to the United States for the same, as hereinafter mentioned and set forth, the said tract shall be patented to the Pottawatomie nation: *Provided*, That if the said Pottawatomies shall prefer to select a new home among the Cherokees, by agreement with the said Cherokees for a price within the means of the Pottawatomies, the Government will confirm such agreement.

vation.

ART. II. In case the new reservation shall be selected upon the lands purchased by the Government from the Creeks, Seminoles, or Choctaws, the price to be paid for said reservation shall not exceed the cost of the same to the Government of the United States; and the sum to be paid by the tribe for said reservation shall be taken from the amount which may be received for the lands which were offered for sale to the Leavenworth, Pawnee, and Western Railroad Company, under the treaty dated November fifteen, eighteen hundred and sixty-one, which amount shall be the common property of the tribe, except the Prairie band, who shall have no interest in said reservation, to be purchased as aforesaid, but in lieu thereof shall receive their pro rata share of the proceeds of the sale of said land in money, as the same may be received: *Provided*, That if the United States shall advance the amount necessary to purchase the said reservation, the interest due upon the deferred payments for said lands, sold as hereinafter provided, shall, when received by the United States, be retained and credited to said tribe interested in said reservation, or so much of said interest as may be due said tribe under this treaty: *And provided further*, That the Leavenworth, Pawnee and Western Railroad Company, their successors and assigns, having failed to purchase said lands, the Atchison, Topeka and Santa Fé Railroad Company may, within thirty days after the promulgation of this treaty, purchase of the said Pottawatomies their said unallotted lands, except as hereinafter provided, to St. Mary's mission, at the price of one dollar per acre, lawful money of the United States, and upon filing their bond for the purchase and payment of said lands in due form, to be approved by the Secretary of the Interior within the time above named, the said Secretary of the Interior shall issue to the last-named railroad company certificates of purchase, and such certificates of purchase shall be deemed and holden, in all courts, as evidence of title and possession in the said railroad company to all or any part of said lands, unless the same shall be forfeited as herein provided. The said purchase-money shall be paid to the Secretary of the Interior in trust for said Indians within five years from the date of such purchase, with interest at the rate of six per cent per annum on all deferred payments, until the whole purchase money shall have been paid; and before any patents shall issue

for any part of said lands, one hundred thousand dollars shall be deposited with the Secretary of the Interior, to be forfeited in case the whole of the lands are not paid for as herein provided; (said money may be applied as the payment for the last one hundred thousand acres of said land;) payments shall also be made for at least one-fourth of said unallotted lands at the rate of one dollar per acre, and when so paid the President is authorized hereby to issue patents for the land so paid for; and then for every additional part of said land upon payment of one dollar per acre. If any individual belonging to said tribes of Indians, or legally incorporated with them, being the head of a family, shall desire to commence farming, he shall have the privilege to select, in the presence and with the assistance of the agent then in charge, a tract of land within said reservation, not exceeding three hundred and twenty acres in extent, which tract, when so selected, certified, and recorded in the "land book" as herein directed, shall cease to be held in common, but the same may be occupied and held in the exclusive possession of the person selecting it, and of his family so long as he or they may continue to cultivate it. Any person over eighteen years of age, not being the head of a family, may in like manner select and cause to be certified to him or her, for purposes of cultivation, a quantity of land not exceeding eighty acres in extent, and thereupon, be entitled to the exclusive possession of the same as above directed. For each tract of land so selected, a certificate, containing a description thereof and the name of the person selecting it, with a certificate indorsed thereon that the same has been recorded, shall be delivered to the party entitled to it, by the agent, after the same shall have been recorded by him in a book to be kept in his office, subject to inspection, which said book shall be known as the "Kiowa and Comanche land book." The President may, at any time, order a survey of the reservation, and, when so surveyed, Congress shall provide for protecting the rights of settlers, in their improvements, and may fix the character of the title held by each. The United States may pass such laws, on the subject of alienation and descent of property and on all subjects connected with the government of the said Indians on said reservations, and the internal police thereof, as may be thought proper.

Others may select land for cultivation.

In consideration of the advantages and benefits conferred by this treaty and the many pledges of friendship by the United States, the tribes who are parties to this agreement hereby stipulate that they will relinquish all right to occupy permanently the territory outside of their reservation, as herein defined, but they yet reserve the right to hunt on any lands south of the Arkansas River, so long as the buffalo may range thereon in such numbers as to justify the chase, and no white settlements shall be permitted on any part of the lands contained in the old reservation as defined by the treaty made between the United States

Bogy, Commissioner of Indian Affairs; William H. Watson, special commissioner; Thomas Murphy, superintendent of Indian affairs for Kansas; and Henry W. Martin, United States Indian agent, duly authorized, and the tribes of Sacs and Foxes of the Mississippi, represented by Keokuk, Chekus-kuk, Uc-quaw-ho-ko, Mut-tut-tah, and Man-ah-to-wah, chiefs of said tribes.

Cession of lands to United States.

ARTICLE I. The Sacs and Foxes of the Mississippi cede to the Government of the United States all the lands, with the improvements thereon, contained in their unsold portion of their diminished reserve defined in the first article of their treaty ratified July ninth, one thousand eight hundred and sixty, (the said tract containing about eighty-six thousand and four hundred acres, and being more particularly described by the survey and plats on file in the Department of the Interior,) except as reserved in previous treaties, or in this treaty.

Additional cession.

ART. II. The said Indians also cede to the United States a full and complete title to the lands, with the improvements thereon, now remaining unsold in that portion of their old reservation provided by article four of the treaty of July ninth, one thousand eight hundred and sixty, to be sold by the Government for their benefit, the cession herein made being subject to the exceptions defined in this treaty.

T. Jones, and including certain Wyandott[e]s, represented by Tauromee, or John Hat, and John Karabe

Preamble.

Whereas it is desirable that arrangements should be made by which portions of certain tribes, parties hereto, now residing in Kansas, should be enabled to remove to other lands in the Indian country south of that State; while other portions of said tribes desire to dissolve their tribal relations and become citizens; and whereas it is necessary to provide certain tribes, parties hereto, now residing in the Indian country, with means of rebuilding their houses, reopening their farms, and supporting their families, they having been driven from their reservations early in the late war, and suffered greatly for several years, and being willing to sell a portion of their lands to procure such relief; and whereas a portion of the Wyandottes, parties to the treaty of one thousand eight hundred and fifty-five, although taking lands in severalty, have sold said lands and are still poor, and have not been compelled to become citizens, but have remained without clearly recognized organization, while others who did become citizens are unfitted for the responsibilities of citizenship; and whereas the Wyandottes, treated with in

eighteen hundred and fifty-five, have just claims against the Government, which will enable the portion of their people herein referred to to begin anew a tribal existence: Therefore it is agreed:

ARTICLE I. The Senecas cede to the United States a strip of land on the north side of their present reservation in the Indian country; the land so ceded to be bounded on the east by the State of Missouri, on the north by the north line of the reservation, on the west by the Neosho River, and running south for the necessary distance, to contain twenty thousand acres; for which the Government is to pay twenty thousand dollars upon the ratification of this treaty; the south line of said tract to be ascertained by survey, at the cost of the United States.

Cession of lands to the United States by the Senecas, &c.

ART. II. The Senecas now confederated with the Shawnees, and owning an undivided half of a reservation in the Indian country immediately north of the Seneca reservation mentioned in the preceding article, cede to the United States one-half of said Seneca and Shawnee reserve, which it is mutually agreed shall be the north half, bounded on the east by the State of Missouri, north by the Quapaw reserve, west by the Neosho River, and south by an east and west line bisecting the present Seneca and Shawnee reserve into equal parts, the said line to be determined by survey, at the expense of the United States; for which tract of land, estimated to contain about thirty thousand acres, the United States will pay the sum of twenty-four thousand dollars. (a)

Further cession.

ART. III. The Shawnees, heretofore confederated with the Senecas, cede to the United States that portion of their remaining lands, bounded as follows, beginning at a point where Spring River crosses the south line of the tract in the second article ceded to the United States, thence down said river to the south line of the Shawnee reserve, thence west to the Neosho River, thence up said river to the south line of the tract ceded in the second article, and thence east to the place of beginning; supposed to contain about twelve thousand acres, the area to be ascertained by survey, at the expense of the United States; the United States to pay for the same at the rate of one dollar per acre, as soon as the area shall be ascertained. (b)

Cession of lands to the United States by the Shawnees.

ART. IV. The Quapaws cede to the United States that portion of their land lying in the State of Kansas, being a strip of land on the north line of their reservation, about one-half mile in width, and containing about twelve sections in all, excepting therefrom one half-section to be patented to Samuel G. Vallier, including his improvements. Also the further tract within their present reserve, bounded as follows: Beginning at a point in the Neosho River where the south line of the Quapaw reserve strikes that stream, thence east three miles, thence north to the Kansas boundary line, thence west on said line to the Neosho River, thence down said river to the place of beginning; and the United States will pay to the Quapaws for the half-mile strip lying in Kansas at the rate of one dollar and twenty-five cents per acre, whenever the area of the same shall be ascertained; and for the other tract described in this article at the rate of one dollar and fifteen cents per acre, whenever the area of the same shall be ascertained by survey, said survey to be made at the cost of the tribe to which said tract is herein provided to be sold under the pre-emption laws of the United States; but all such pre-emption shall be paid in the money of the United States, at the proper land office, within one year from the date of entry and settlement. (c)

By the Quapaws.

ART. XIII. The United States will set apart for the Wyandottes, for their future home, the land ceded by the Senecas in the first article hereof, and described in said article, to be owned by the said Wyandottes in common.

Land set apart for the Wyandottes.

ART. XV. All restrictions upon the sale of lands assigned and patented to "incompetent" Wyandott[e]s under the fourth article of the treaty of one thousand eight hundred and fifty-five, shall be removed after the ratification of this treaty, but no sale of lands heretofore assigned to orphans or incompetents shall be made, under decree of any court, or otherwise, for or on account of any claim, judgment, execution or order, or for taxes, until voluntarily sold by the patentee or his or her heirs, with the approval of the Secretary of the Interior; and whereas many sales of land belonging to this class have heretofore been made, contrary to the spirit and intent of the treaty of one thousand eight hundred and fifty-five, it is agreed that a thorough examination and report

Certain restrictions upon sales of lands removed.

shall be made, under direction of the Secretary of the Interior, in order to ascertain the facts relating to all such cases, and upon a full examination of such report, and hearing of the parties interested, the said Secretary may confirm the said sales, or require an additional amount to be paid, or declare such sales entirely void, as the very right of the several cases may require.

Sale of land to
the Ottawas.
Payment.

ART. XVI. The west part of the Shawnee reservation, ceded to the United States by the third article, is hereby sold to the Ottawas at one dollar per acre; and for the purpose of paying for said reservation the United States shall take the necessary amount, whenever the area of such land shall be found by actual survey, from the funds in the hands of the Government arising from the sale of the Ottawa trust lands, as provided in the ninth article of the treaty of one thousand eight hundred and sixty-two, and the balance of said fund, after the payment of accounts provided for in article five of the treaty of one thousand eight hundred and sixty-two, shall be paid to the tribe per capita.

Sale of lands to
Ottawa University.

ART. XX. It is further agreed that the remaining unsold portion of trust lands of the Ottawas, amounting to seven thousand two hundred and twenty-one and twenty-one hundredths acres, shall be sold to the trustees of Ottawa University, to be disposed of for the benefit of said institution at the appraised value thereof, and that the said trustees shall have until July sixteenth, one thousand eight hundred and sixty-nine, to dispose of the same and pay to the Government the value of said lands: *Provided*, That the said trustees shall furnish, within thirty days after the ratification of this treaty, to the Secretary of the Interior, a satisfactory bond for the fulfilment of their obligations.

Purchasers of
land from the
Peorias, &c., to
receive patents.

ART. XXI. Whereas certain arrangements have been made by the chiefs of the confederated tribes of Peorias, Kaskaskias, Weas, and Piankeshaws, for the sale to actual settlers of the lands held by them in common, being nine and one-half sections, for a reasonable consideration, according to the terms of a certain petition of the said tribe, with schedule annexed, (which schedule is annexed to this treaty and marked "B,") dated December twenty-sixth, one thousand eight hundred and sixty-six, filed in the office of the Commissioner of Indian Affairs, it is agreed that the said arrangements shall be carried into full effect, and the purchasers thereunder shall receive patents from the United States for the lands so purchased, upon making full payment for the same to the Secretary of the Interior, and the amount already paid by said purchasers, as appears from said schedule, and in the hands of the chiefs, shall be paid to the Secretary of the Interior, and the whole amount of the purchase money shall also be paid to the said Secretary on or before the first day of June, one thousand eight hundred and sixty-seven, and shall be held by him for the benefit of the tribe, subject to the provisions of this treaty.

Lands sold to
the Peorias, &c.

ART. XXII. The land in the second and fourth articles of this treaty proposed to be purchased from the Senecas and Quapaws, and lying south of Kansas, is hereby granted and sold to the Peorias, &c. and shall be paid for at the rate paid for the same by the Government, out of the proceeds of the nine and a half sections referred to in the last preceding article, adding thereto whatever may be necessary out of other moneys in the hands of the United States belonging to the said Peorias, &c.

Indians to re-
move to new
homes within
&c.

ART. XXIII. The said Indians agree to dispose of their allotments in Kansas and remove to their new homes in the Indian country within two years from the ratification of this treaty; and to that end the Secretary of the Interior is authorized to remove altogether the restrictions upon the sales of their lands, provided under authority of the third article of the treaty of May thirtieth, one thousand eight hundred and fifty-four, in such manner that adult Indians may sell their own lands, and that the lands of minors and incompetents may be sold by the chiefs, with the consent of the agent, certified to the Secretary of the Interior and approved by him. And if there should be any allotments for which no owner or heir thereof survives, the chiefs may convey the same by deed, the purchase money thereof to be applied, under the direction of the Secretary, to the benefit of the tribe; and the guardianship of orphan children shall remain in the hands of the chiefs of the tribe; and the said chiefs shall have the exclusive right to determine who are members of the tribe, and entitled to be placed upon the pay-rolls.

ART. XXVI. The Peorias, Kaskaskias, Weas, and Piankeshaws agree that the Miamies may be confederated with them upon their new reservation, and own an undivided right in said reservation in proportion to the sum paid, upon the payment by the said Miamies of an amount which, in proportion to the number of the Miamies who shall join them, will be equal to their share of the purchase money in this treaty provided to be paid for the land, and also upon the payment into the common fund of such amount as shall make them equal in annuities to the said Peorias, &c., the said privilege to remain open to the Miamies two years from the ratification of this treaty.

Miamies may be united with the Peorias, &c.

No. 1746.—EXECUTIVE ORDERS relating to Cheyenne and Arapahoe reserve.

DEPARTMENT OF THE INTERIOR,
 OFFICE OF INDIAN AFFAIRS,
 June 19, 1869.

Annual Report
 Commissioner
 Indian Affairs,
 1878, p. 251.

SIR: I have the honor to acknowledge the receipt, by reference from the Secretary of the Interior on the 10th instant, of a letter from Adjutant-General E. D. Townsend, bearing date the 9th instant, inclosing a copy of a telegram dated Fort Leavenworth, Kans., June 8, 1869, from Maj.-Gen. J. M. Schofield to General W. T. Sherman, recommending that the reservation for the Arapahoe Indians be changed from its present location to the north fork of the Canadian River, and requesting a report thereon from this office.

By the terms of the treaty with the Cheyenne and Arapahoe tribes of Indians, proclaimed August 19, 1868, it is provided in the second article thereof that "the United States agrees that the following district of country, to wit: Commencing at the point where the Arkansas River crosses the thirty-seventh parallel of north latitude; thence west on said parallel—the said line being the southern boundary of the State of Kansas—to the Cimarron River (sometimes called the Red Fork of the Arkansas River); thence down said Cimarron River, in the middle of the main channel thereof, to the Arkansas River; thence up the Arkansas River, in the middle of the main channel thereof, to the place of beginning, shall be, and the same is hereby, set apart for the absolute and undisturbed use and occupation of the Indians herein named, and for such other friendly tribes or individual Indians as from time to time they may be willing, with the consent of the United States, to admit among them."

It will be seen from the language of the second article of said treaty, just quoted, that a reservation upon which they are now located has already been provided for said Indians within the boundaries in said article designated, but I am of opinion that it would be better for both the Indians and the Government if they were to be removed to the north fork of the Canadian River in accordance with the suggestions of General Schofield, provided any authority can be found for removing and locating said Indians in the manner contemplated.

Should you be of opinion that such authority exists, and determine in pursuance thereof to cause a removal of said Indians to be made from their present reservation, I would suggest that a tract of country be set aside for their occupation and use bounded as follows, viz: Commencing at the point where the Washita River crosses the ninety-eighth degree of west longitude; thence north on a line with said ninety-eighth degree to the point where it is crossed by the Red Fork of the Arkansas (sometimes called the Cimarron River); thence up said river, in the middle of the main channel thereof, to the north boundary of the country ceded to the United States by the treaty of June 14, 1866, with the Creek nation of Indians; thence west on said north boundary and the north boundary of the country ceded to the United States by the treaty of March 21, 1866, with the Seminole Indians, to the one hundredth degree of west longitude; thence south on the line of said one hundredth degree to the north boundary of the country set apart for the Kiowas and Comanches by the second article of the treaty concluded October 21, 1867, with said tribes; thence east along said boundary to the point where it strikes the Washita River; thence down said Washita River, in the middle of the main channel thereof, to the place of beginning.

New bounds
 rice suggested.

The territory comprised within the boundaries last above designated contains a small portion of the country ceded to the United States by the terms of the treaty with the Creek Indians concluded June 14, 1866; a portion of the country ceded to the United States by the terms of the treaty with the Seminole Indians concluded March 21, 1866, and the remainder is composed of a portion of what is commonly known as the "leased country."

Inasmuch as this office has no information upon the subject, except that conveyed by the telegram of General Schofield, which is very meager and indefinite, I am unable to determine the causes which seem to require this change, and I would therefore respectfully suggest, unless there is some pressing necessity which will admit of no delay, whether it would not be well to refer the matter to the proper officers of this bureau for investigation and report before any action is taken.

The letter of Adjutant-General Townsend, together with the copy of the telegram of General Schofield, are herewith returned.

Very respectfully, &c.,

E. S. PARKER, *Commissioner*.

Hon. W. T. OTTO, *Acting Secretary of Interior*.

DEPARTMENT OF THE INTERIOR,
OFFICE OF INDIAN AFFAIRS,
Washington, D. C., August 10, 1869.

SIR: Referring to my report to you of the 19th of June last, relative to the change of location of the reservation for the Cheyenne and Arapahoe Indians, I now have the honor to submit, herewith, copies of the following letters relative to this subject, viz:

Letter from Superintendent Hoag, dated the 31st ultimo, inclosing letter from Brevet Major-General Hazen, dated the 24th ultimo.

Letter from Superintendent Hoag, dated the 4th instant, inclosing letter from General Hazen, dated the 2d instant.

It appears from these letters that the Cheyennes and Arapahoes did not understand the location of the reservation as defined by the treaty of August 19, 1868; that they have never been upon said reserve, and do not desire to go there, but that they desire to locate on the North Fork of the Canadian some 60 miles below Camp Supply; that the agent for these tribes has a large quantity of valuable stores in this locality, which are very much exposed.

**New location
recommended.**

Inasmuch as these Indians express a desire to be located upon a reserve, I think it very desirable that their wishes should be gratified, and that they be not permitted to again roam on the plains. I therefore respectfully recommend that the President be requested to authorize the location of these Indians on the north fork of the Canadian River, where they desire to go, and that immediate steps be taken to provide temporarily for them there. The country desired by them is public land, and I think it competent for the President to direct their location thereon. In view, however, of the fact that these Indians have a reservation defined for them by treaty stipulation, legislation can be asked of Congress at the coming session to insure a permanent reservation for them where they may locate, and abandon as a reservation the present one, restoring it to the public lands. I concur in your recommendation that there be assigned and set off to the Great and Little Osages a tract situate within the Cherokee country described as follows: Beginning at a point where the ninety-sixth meridian of longitude west from Greenwich intersects the southern boundary of Kansas; thence south along said meridian to the line separating the Cherokee country from the Creek country; thence westward on said line to a point so that a line running from such point, parallel to said meridian, to the said boundary of Kansas, and with said boundary to the place of beginning, will inclose an area containing 560,000 acres. Preamble.

Reservation of the Great and Little Osage Indians.

No. 1751.—AN ACT to confirm to the Great and Little Osage Indians a reservation in the Indian Territory.

Whereas by the treaty of eighteen hundred and sixty-six between the United States and the Cherokee nation of Indians, said nation ceded to the United States all its lands west of the ninety-sixth meridian west longitude, for the settlement of friendly Indians thereon; and whereas by act of Congress approved July fifteenth, eighteen hundred and seventy, the President was authorized and directed to remove the Great and Little Osage Indians to a location in the Cherokee country west of the ninety-sixth meridian, to be designated for them by the United States authorities; and whereas it was provided by the same act of Congress that the lands of the Osages in Kansas should be sold by the United States, and so much of the proceeds thereof as were necessary should be appropriated for the payment to the Cherokees for the lands set apart for the said Osages west of the ninety-sixth meridian; and whereas under the provisions of the above-mentioned treaty and act of Congress and concurrent action of the authorities of the United States and the Cherokee nation, the said Osages were removed from their former homes in the State of Kansas to a reservation set apart for them in the Indian Territory, at the time of the removal supposed to be west of the said ninety-sixth meridian, and bounded on the east thereby, and upon which said Osages have made substantial and valuable improvements; and whereas by a recent survey and establishment of the ninety-sixth meridian it appears that the most valuable portion of said Osage reservation, and upon which all their improvements are situated, lies east of the said meridian; and whereas it therefore became necessary to select other lands in lieu of those found to be east of the established ninety-sixth meridian for said Osage Indians; and whereas a tract has accordingly been selected, lying between the western boundary of the reservations heretofore set apart for said Indians and the main channel of the Arkansas River, with the south line of the State of Kansas for a northern boundary, and the north line of the

Creek country and the main channel of the Arkansas River for a southern and western boundary; and whereas the act of Congress approved July fifteenth, eighteen hundred and seventy, restricts the said reservation for said Osage Indians to "a tract of land in compact form equal in quantity to one hundred and sixty acres for each member of said tribe;" and whereas in a letter of the Cherokee delegation, addressed to the Secretary of the Interior on the eighth day of April, eighteen hundred and seventy-two on behalf of the Cherokee nation, containing their approval of and assent to the proposition to provide for the settlement of the Osage and Kaw Indians on that portion of the Cherokee country lying west of the ninety-sixth degree west longitude, south of Kansas, east and north of the Arkansas River: Therefore,

Be it enacted, &c., That in order to provide said Osage tribe of Indians with a reservation, and secure to them a sufficient quantity of land suitable for cultivation, the following-described tract of country, west of the established ninety-sixth meridian, in the Indian Territory, be, and the same is hereby, set apart for and confirmed as their reservation, namely: Bounded on the east by the ninety-sixth meridian, on the south and west by the north line of the Creek country and the main channel of the Arkansas River, and on the north by the south line of the State of Kansas: *Provided*, That the location as aforesaid shall be made under the provisions of article sixteen of the treaty of eighteen hundred and sixty-six, so far as the same may be applicable thereto: *And provided further*, That said Great and Little Osage tribe of Indians shall permit the settlement within the limits of said tract of land [of] the Kansas tribe of Indians, the lands so settled and occupied by said Kansas Indians, not exceeding one hundred and sixty acres for each member of said tribe, to be paid for by said Kansas tribe of Indians out of the proceeds of the sales of their lands in Kansas, at a price not exceeding that paid by the Great and Little Osage Indians to the Cherokee nation of Indians. (a)

(a) See Nos. 1747, 1748.

No. 1752.—To authorise the Secretary of the Interior to negotiate with the Creek Indians for the cession of a portion of their reservation, occupied by friendly Indians.

March 2, 1873.
Vol. 17, p. 624.

Whereas by the third article of the treaty concluded with the Creek Indians June fourteenth, eighteen hundred and sixty-six, said Indians ceded to the United States, for the settlement of friendly Indians and freedmen, the west half of their entire domain, to be divided by a line running north and south; and whereas the recent survey of said line, made in conformity with the provisions of said treaty, includes within the limits of the Creek reservation, east of said line, some of the improvements made on a reservation selected on what was supposed to be the Creek ceded lands, for the Seminole tribe of Indians, which reservation is provided for in their treaty of March first, eighteen hundred and sixty-six, and also some of the improvements of the Sacs and Foxes, of the Mississippi tribe of Indians, made on a reservation intended to be established in accordance with the provisions of their treaty of February eighteenth, eighteen hundred and sixty-seven; and whereas said improvements have been made upon said lands by and for the aforesaid Indians, who have settled thereupon in good faith, in accordance with treaty stipulations; and whereas it is necessary, in order to secure these improvements to said Indians, and to insure them suitable reservations, that the lands occupied thereby should be granted to them; Therefore,

Be it enacted, &c., That the Secretary of the Interior be, and he hereby is, authorized to negotiate with the aforesaid Creek Indians for the relinquishment to the United States of such portions of their country as may have been set apart in accordance with treaty stipulations, for the use of the Seminoles, and the Sacs and Foxes of the Mississippi tribes of Indians, respectively, found to be east of the line separating the Creek ceded lands from the Creek reservation, and also to negotiate and arrange with said tribes for a final and permanent adjustment of their reservations; and the Secretary shall report the result to Congress.
